Dear Minister Steel

I'm writing to you today though in regards the new advertising parading around Canberra for Brindabella Christian College and its impact on all our young people in the Canberra community.

The College is making claims of "Fake News", "slams" and "blitz" their regulatory obligations. Photos below.

As you may be aware, there has been significant public interest and media coverage of quite the contrary at the school, including a "culture of fear", governance turmoil, high teacher losses, significant regulatory involvement and non-compliances with legislation including Education Act, WH&S Act, National Quality Framework, ACT Human Rights Commission etc resulting in Improvement Notices, fitness and propriety reassessments, non-compliance and Show Cause Notices.

The most recent media highlighted the public release of the ACT Human Rights Commission Final Report into the exclusion of our two boys. It noted the school wrongfully excluded our boys, denying them any procedural fairness and failed to involve them in any way. The Commissioner [REDACTED] also states Brindabella "fails to take complaints seriously", "failed to investigate complaints or respond appropriately". This is consistent with the findings from the Education Directorate Authorised Persons Audit in 2019 and early 2020.

<https://hrc.act.gov.au/wp-content/uploads/2021/01/BBC-report-final-January-2021.pdf>

The ABC News reported [REDACTED] as stating "the school snubbed the Human Rights Commission" and she decided to release the Report publicly in the hope the school would conform and engage.

<https://www.abc.net.au/news/2021-01-23/brindabella-christian-college-excluded-boys-human-rights-review/13083730>

[REDACTED] stated under his watch in 2015 that "as a government provided service, the messages promoted on these buses ought be suitable and considerate of the values of the Canberra community and government objectives".

Surely public bus advertising should never undermine government objectives, responsibility or action for ensuring our children are protected and schools operate accountably and professionally? Fake news is a political term and appears to jest that media coverage of the regulator involvement with the school is incorrect. It is not, the media has tirelessly checked every fact and verifies all information from public record or regulator comment before publishing...otherwise it would be defamatory.

I believe these advertisements are a fist shake at ACT Government and its agents. No organisation or charity is above accountability and scrutiny and certainly not when they are recipients of public monies. These agencies are tasked with ensuring legislative and regulatory compliance, in this case, for the protection of children through the upholding of professional practice, reputation of the teaching profession and ensuring all schools are delivering a high quality education in compliance with legislation and registration conditions.

Many a parent and teacher has been seeking out assistance from ACT Government agencies, and the media, for accountability and resolution of complaint at the school concerning bullying of staff, intimidatory behaviour, lack of accountability and the high turnover of teachers all impacting our children. Of course more recently we have seen the exclusion of our two innocent boys now affirmed by the HRC as an appalling action by a school that refuses to be scrutinised for its conduct.

I respectfully ask you to review Brindabella's bus advertisements for the sake of the community and especially for all our children....both those who are still in the school, who deserve respect and dignity, and those who have traumatically and sadly been removed for their own well being and stability, now in other schools in Canberra.

Personally we have found the advertisements offensive and an affront to the very processes of government and regulation we sought out for help. Brindabella Christian College is a CHARITY organisation providing education services and care, not a private company with a CEO who can choose to freely make political statements at his own demise or success.

We ask you consider the broader impact for the whole community and assessment whether these advertisements and statements are consistent with the Advertising Policy for Canberra buses.

With thanks for your time and attention. I look forward to your response and advice.

- *weapons*
- *junk food, fast food or unhealthy food and drinks as defined by the Australian Dietary Guidelines and associated Australian Guide to Healthy Eating*
- *gambling*

Hi

I am concerned about the misleading advertising that Brindabella Christian college is currently promoting on action buses.

It was reported in the Canberra Times that Brindabella Christian college is under investigation. See <https://www.canberratimes.com.au/story/7004466/early-learning-centre-investigated-after-children-allegedly-threatened-force-fed/?cs=19264>

How can Brindabella Christian college advertise on action buses that is safe while it undergoes an investigation for unsafe practises?

Can you please look into this?

Thank you

Hi Matt,  
We have received a query from a member of the public regarding Brindabella Christian College advertising on the TC bus fleet.  
They highlighted an article in the Canberra Times (which I am unable to read as I am not a subscriber) See <https://www.canberratimes.com.au/story/7004466/early-learning-centre-investigated-after-children-allegedly-threatened-force-fed/?cs=19264>  
The article seems to indicate an investigation of Brindabella Christian College is currently underway. Brindabella Christian College advertising is not in breach of the Australian Advertising Standards or the TC advertising policy.  
However, the advertising on our fleet is significant, and would need immediate action should an adverse outcome be identified during the investigation.  
I have advised GoTransit that we are monitoring the situation and will keep them advised. We are currently monitoring the situation.  
The member of the public who raised this matter has been sent our standard response for queries of this nature. TCCS Comms are also across the situation. I will continue to liaise with Erin and Sal to keep updated with this.
