

ATTACHMENT A – ACCESS APPLICATION SCHEDULE - FREEDOM OF INFORMATION

Please be aware that under the *Freedom of Information Act 2016*, some of the information provided to you will be released to the public through the ACT Government's Open Access Scheme. The Open Access release status column of the table below indicates which records are intended for release online through open access via the City and Environment Directorate disclosure log:

https://www.cityservices.act.gov.au/about-us/freedom_of_information/disclosure-log

Personal information or business affairs information will not be made available under this policy. If you think the content of your request would contain such information, please inform the contact officer immediately.

Information about what is published on open access is available online at: <https://www.act.gov.au/open-access>

File No.	Application Scope:
26-088	All correspondence and documents sent to or received by the Conservator and all communications between SLA, Spacelab, and planning authority between 1 January 2020 and 30 March 2026 which: · relate to the land at Section 76 Block C Watson; and · relate to any environmental issues, specifically ecological, biodiversity and trees.
Reason for nondisclosure:	
No reasons for nondisclosure identified. Please note that email attachments of publicly available information have not been included.
