Information request

Who are you making the request on behalf of?

What type of information are you requesting access to?*

What information are you requesting access to under the Act?*

I am seeking information pertaining to the ACT's adoption of the Austroads guidelines from 2009 and what measures were put in place since 2009 to ensure the ACT regulatory speed signs were checked to comply with Austroads guideline, in particular the height of the sign above the kerb in urban areas. Similarly for the ACT school zone signs.

Attach a description or additional details about the information you are requesting access to (optional)

Do you have a similar or identical request currently under review by another ACT Government Directorate?

☐ Yes

☒ No

Are you enquiring as

A member of the public

Do you wish to apply for a waiver of fees associated with processing your application?

☒ Yes

☐ No

Do you hold a valid concession card?

☒ Yes

☐ No

Provide a statement about how the release of information is in the public interest (optional)

In the Canberra Times on March 9th 2026 the question was raised by me whether the School zone speed sign heights were too low to the kerb and why they are different heights to all other speed signs in the ACT. I am seeking this information for a follow up story which I believe to be in the public interest.

Would you like to provide any additional information? (optional)

Attach additional documents to support your application (optional)
