**Request for information**

**(Please provide as much detail as possible, for example subject matter and relevant dates, and also provide details of documents that you are not interested in.)**

Under the Freedom of Information Act 2016 I want to access the following document/s (\*required field):

All correspondence held between ACT residents and or landholders and the ACT Government that relates to wombat management, wombat impacts, or complaints about wombats, where that correspondence refers to the use, consideration, trialling, or feasibility of non-lethal management methods. This request is limited to correspondence received which relates to the ACT Government's draft report into wombat-related matters. I do not seek any personal identifying information about individual residents or landholders. Where necessary, personal information may be redacted. The purpose of this request is to determine whether non-lethal methods were trialled or considered by landholders before requests were made for lethal control to be permitted.

I do not want to access the following documents in relation to my request::

Thank you.
