

Free bulky waste collections

Save a trip to the tip

Canberra households are eligible for one **FREE** bulky waste collection each financial year of up to two cubic metres.

The bulky waste collection service is for items too big for kerbside bins such as old furniture and broken appliances. You could also think about selling or donating items in good condition.

Not all the items collected through the bulky waste service will go into landfill. Where possible, items will be reused or recycled.

Book your **free** bulky waste collection today

Did you know...

mattresses and ensembles can be recycled? Dispose old mattresses through the bulky waste collection or visit act.gov.au/recyclopaedia for more options. Fees apply.

Live in an apartment or townhouse?

If you live in an apartment or townhouse with shared waste, contact your building management to make a booking on your behalf.

Search the Recyclopaedia, Canberra's A – Z guide for where to recycle or dispose of specific items in the ACT. act.gov.au/recyclopaedia
