Request for information

(Please provide as much detail as possible, for example subject matter and relevant dates, and also provide details of documents that you are not interested in.)

Under the Freedom of Information Act 2016 I want to access the following document/s (*required field):

No sure which documents would be appropriate.

I do not want to access the following documents in relation to my request::

I am interested in any similar reported falls/ slips that may have occurred outside the Fyshwick Fresh Food Market in the last 5 years, and the severity. There are State based Numbers, however not the granular level of location. I found this on a version of the Australian Institute of Health and Welfare and I assume source numbers come from local ACT reports. Appreciate any relevant information.

Thank you.
