Hi Toma,

Thank you for sending the links. I have looked through the documents and have assessed that it did not include the specifics the client was requesting. Although there were maps provided of the 40km section, the documents did not contain photographic and/or graphics of the 40km signage (erected and painted on roads) as per the clients request. Please see the request below.

- Photographic and graphics depicting the signage both as erected signs and painted on the roads from the commencement of the 40kms speed limit and leading to the position of the intersection of Northbourne Avenue/Barry Drive/Cooyong Street
- Photographic and graphics depicting all changes to the signage (both as erected signs and painted on the roads) from the commencement of the 40kms speed limit and leading to the position of the intersection of Northbourne Avenue/Barry Drive/Cooyong Street, from the 12/2/2022 to present.

I have also attached the original request of the client with part 7 and 8 of the partial transfer highlighted.

Kind Regards,

I refer to your application made under section 30 of the *Freedom of Information Act 2016*. As you are aware, parts 7 and 8 of your access application was transferred to Transport Canberra and City Services (TCCS) directorate from the Chief Minister, Treasury and Economic Development directorate (CMTEDD) on 7 December 2022.

It is my understanding that you are seeking access to the following information:

7. Photographic and graphics depicting the signage both as erected signs and painted on the roads from the commencement of the 40kms speed limit and leading to the position of the intersection of Northbourne Avenue/Barry Drive/Cooyong Street
8. Photographic and graphics depicting all changes to the signage (both as erected signs and painted on the roads) from the commencement of the 40kms speed limit and leading to the position of the intersection of Northbourne Avenue/Barry Drive/ Cooyong Street, from the 12/2/2022 to present.

On 16 December 2022, a decision on your application was made, in which it was determined that no relevant information was held by TCCS. However, a separate search of records held by TCCS has identified images of both the painted road pavement and erected 40 kms speed limits signs which were photographed on 25 June 2021.

In accordance with section 36 of the FOI Act, this notice is related to the records that have now been identified.

As advised previously, the remainder of your application will continue to be processed by CMTEDD.
