Hi Jemma,

Could I please request the "Ainslie Precinct Urban Planning Report 4 December 2020" document including all attachments within that report. Therefore the Feasibility Study and the TIA as well.

Thanks,

Good afternoon [REDACTED]

FOI 26-026 - Scope Clarification

I have tried to call you this afternoon but couldn't leave a voicemail. Can you please give me a call back on 6207 2689.

In your application, you requested the "Final report/deliverable from the Contract Number EPN200476 Ainslie Avenue Corridor Feasibility Study".

The line area has advised that the "final report" stemming from EPN200476 is a 175 page document called "Ainslie Precinct Urban Planning Report 4 December 2020". However, within that report there is a 7 page attachment called "Ainslie Avenue Corridor Feasibility Study", and a further 48 page attachment called "Ainslie Avenue Corridor Traffic Impact Assessment".

Can you please clarify via phone or return email which document/s you are requesting?

Please note that your application is currently suspended under section 34(4) of the FOI Act, pending your response. Processing of your application will continue once you have confirmed which documents you are requesting, noting that third party consultation is the likely next step, which will require additional time (provided under section 40(2) of the FOI Act).

Please let me know if you have any questions about the documents or the process. Thank you.

Yours sincerely,

Jedda Kelly | Information Access
