Hello TCCS FOI

This is a request under the Freedom of Information Act 2016 for all documents of TCCS discussion, consent and entity advice with the proponents and or their representatives, relating to proposed development by Access Recycling Pty Ltd in DA201935337 concerning Block 13 Section 8 Fyshwick. These documents would include;

- Emails;
- Email attachments;
- Correspondence;
- Memos;
- Records of meetings;
- File notes;
- Reports;
- Agreements;
- Any other communication record.

I request that all processing fees be waived as this information is of special benefit to a substantial section of the public those being all individuals and groups with an interest in the development of a major waste facility being an intermodal waste hub at Fyshwick. I argue also that when considered as a whole with the other related developments it has a wider general public interest because of the redevelopments' 'High Risk' nature and the potential for harm to the environment, human health and public safety.

Sincerely

[REDACTED]
