Dear Mr [REDACTED]

Freedom of Information Request - Reference 21-017

I refer to your application for access to government information made under *Freedom of Information Act 2016* (FOI Act) that was received in our office on 18 February 2021 from the Environment, Planning and Sustainable Development Directorate. Your access application is a request for access to:

“to any/all complaints, notifications, incident reports, queries or awareness of issues relating to the safety of dog parks in the ACT, specifically with any mention of the equipment/tunnels/obstacles within the facilities and the risks they pose to the dogs and people within the facilities”.

I am an Information Officer appointed by the Director-General under section 18 of the Act to deal with access applications made under Part 5 of the FOI Act.

A decision was due by 19 March 2021. I thank you for agreeing to an extension to 26 March 2021.

Decision on access

Searches were undertaken for the documents you are seeking and 30 documents (181 pages) were identified relating to safety of dog parks in the ACT.

These documents are outlined in the schedule included at [Attachment A](#).

I have decided to:

- grant full access to 11 document; and
- grant part access to 19 documents.

I have refused access under section 35(1)(c) of the FOI Act to some of the information that you have requested as it is contrary to the public interest to release.

My access decision is detailed further in the following statement of reasons below.

Statement of Reasons

In making my decision on disclosing government information, I must identify all relevant factors in schedule 2 of the FOI Act and determine, on balance, where the public interest lies. In reaching my access decision, I have taken the following into account:

Factors favouring disclosure in the public interest (Schedule 2, Section 2.1)

- Section 2.1(a)(i) - promote open discussion of public affairs and enhance the government's accountability;
- Section 2.1(a)(iii) - inform the community of the government's operations, including the policies, guidelines and codes of conduct followed by the government in its dealings with members of the community;
- Section 2.1(a) (xi) - reveal environmental or health risks or measures relating to public health and safety; and
- Section 2.1(a)(viii) - reveal the reason for a government decision and any background or contextual information that informed the decision.

Factors favouring non-disclosure (Schedule 2, Section 2.2)

- Section 2.2 (a)(ii) – prejudice the protection of an individual's right to privacy or any other right under the *Human Rights Act 2004*.

As an Information Officer, I must decide where, on balance, public interest lies. As part of this process I must consider factors favouring disclosure and non-disclosure.

I consider that it is in the public interest to release most of this information. These documents inform the community about the safety and the design of the dog parks in Canberra.

Document referenced number 1 is a survey conducted in 2017. The survey includes a range of feedback from the community about dog parks including safety concerns raised. Although some parts of the survey do not fall within scope of your access application, I have decided to include the entire survey for your information.

Personal Privacy

The factors I considered relevant in relation to favouring non-disclosure is where information might prejudice the protection of an individual's right to privacy. I have decided that names and contact details of third parties should not be released because the release could identify an individual and would prejudice their right to privacy under the *Human Rights Act 2004*.

I am satisfied that the factors in favour of release can still be met while protecting the personal information of individuals involved. I find the protection of this information outweighs disclosure.

Charges

I have decided to waive the fee of \$45.85 as the number of pages being released only marginally exceed the fee-free threshold.

Online publishing – disclosure log

Under section 28 of the Act, TCCS maintains an online record of access applications called a disclosure log. Your original access application, my decision and documents will be published in the TCCS disclosure log between 3 - 10 days after the date of this decision.

Your personal contact details will not be published. You may view the TCCS' disclosure log at http://www.tccs.act.gov.au/about-us/freedom_of_information.

Ombudsman review

My decision on your access request is a reviewable decision as identified in Schedule 3 of the Act. You have the right to seek an Ombudsman review of this outcome under section 73 of the Act within 20 working days from the day that my decision is published in TCCS' disclosure log or a longer period allowed by the Ombudsman.

If you wish to request a review of my decision, you may write to the Ombudsman at:

The ACT Ombudsman
GPO Box 442
CANBERRA ACT 2601
Via email: actfoi@ombudsman.gov.au

ACT Civil and Administrative Tribunal (ACAT) review

Under section 84 of the Act, if a decision is made under section 82 on an Ombudsman review, you may apply to the ACAT for review of the Ombudsman decision.

Further information may be obtained from ACAT at:

ACT Civil and Administrative Tribunal
Level 4, 1 Moore Street
GPO Box 370
CANBERRA CITY ACT 2601
Telephone: (02) 6207 1740

If you have any queries concerning the directorate's processing of your request, or would like further information, please contact the TCCS FOI team on (02) 6207 2987 or email to tccs.foi@act.gov.au.

Yours sincerely

Cherie Hughes
Information Officer

#	Reason for your rating scale	Date
1	all features are mostly fine	5/20/2017 7 54 AM
2	They are not exciting Large dog park much can't be used due to snakes Dogs need play equipment	5/20/2017 1 36 AM
3	We enjoy going there with the local Schnauzer group	5/19/2017 12 35 PM
4	Which of the 11 topics? All based on personal experience My dog is young and lively use small enclosure so she is not overwhelmed by large dogs and so can supervise easily But am arthritic and need even surfaces and to rest sometimes More shade would be good such as at Belco	5/19/2017 6 23 AM
5	The parks both need a rotation zone (perhaps the adjacent easement) to all the ground surface to be spelled This would reduce erosion and resulting dust many ratings would increase with this measure alone have shared this view with other users and they agree	5/18/2017 4 01 PM
6	Disability access is very poor	5/18/2017 8 54 AM
7	It's a beautiful dog park The water fountain could be improved Today the bin had not been emptied and was overflowing But otherwise it's very well maintained	5/18/2017 7 34 AM
8	Rules need to be set up so all park goers respect the park	5/17/2017 1 41 PM
9	The size of the park is good All other elements are run down and not very pleasant	5/17/2017 12 43 PM
10	enjoy going to the dog park The facilities are fair all round My main concern is with knowledge of dog behaviour and the control people have over their dogs At times it feels unsafe due to the lack of clear rules within the park and no enforcement	5/17/2017 11 18 AM
11	the ground is horrible when wet and the area is very bare	5/17/2017 2 49 AM
12	Car park needs to be leveled out and less loose dirt more drinking fountains for dogs to share and more seating for elderly taking their dogs	5/16/2017 10 55 AM
13	Poor user practices some dog park code of conduct signs would not go astray owners should try and stay on the move rather than allowing dogs to cluster and as a result destroy the ground The lack of awareness or decency to bring bags to pick up your dogs droppings is also amazing perhaps bins/tubs could be set up where people can donate any kind of plastic bag for people to use to pick up poo? It doesn't need to be flash dog bag/ poo bags but some kind of freely available plastic bag dispenser would be good (maybe like the Coles plastic bag drop off points?)	5/16/2017 4 01 AM
14	Front access to the dog park needs to be replaced with wide steps Gravel is too slippery Bins at the front are placed for ease of collection not ease of use Maintenance of grassed areas including irrigation during dry spells would improve the amenity of the park	5/16/2017 3 21 AM
15	don't use the large dog area so ignore that response the dog park is good really like it	5/16/2017 2 48 AM

16	Needs more seating & lighting	5/16/2017 2 23 AM
17	use only the small dog enclosure Bin which contains dog poo and stinks is located too close to the seat	5/16/2017 2 12 AM
18	Parking lot is nice and large but getting a bit rough there is only one bin even though think there are two entrances i don't think there is seating in the small dog section and the other owners aren't great at picking up after their pets (you could add a scooper to the site to make it easier for the more courteous non owners to pick up after others)	5/16/2017 1 43 AM
19	The bark after rain washes down the bank t would be good to occasionally get a bobcat to shift the ground cover back on the top	5/16/2017 1 09 AM
20	The park seems quite run down and things like grass cutting don't happen very often	5/16/2017 12 27 AM
21	The parking is minimal and dangerous only one bin that doesn't get emptied and you had to leave your dog to go to it	5/16/2017 12 15 AM
22	Grass not mowed regularly tree's & shrubs not pruned	5/15/2017 11 34 PM
23	large dog area size is great but nit enough seats and could do with a few more bins	5/15/2017 11 33 PM
24	Seating poor Too much mud Gates unsafe Should be self closing	5/15/2017 11 10 PM
25	t is a dust bowl Has no area for small/senior dogs The seats are now dangerous	5/15/2017 10 10 PM
26	My thoughts	5/15/2017 6 12 PM
27	For the most part an excellent park just some ammenities are not as good mainly because there are only a few but lots of users/demand	5/15/2017 4 47 PM
28	Not safe from snakes entering Grass is high trees not trimmed Needs more bins seating and water features	5/15/2017 4 17 PM
29	Not enough bins or far walk to bins Usually only one water station there should be more and a couple more seats	5/15/2017 3 57 PM
30	Bins are always over flowing and the smell is revolting Only 3 chairs available 1 water fountain for two enclosed areas and it's always blocked	5/15/2017 3 50 PM
31	1 Water bowl outside the area where dogs play 1 bin for waste	5/15/2017 3 42 PM
32	They did put a hole in the top of the bin which was awesome thank you They also come fix the gates when people brake the latches (who knows how)	5/15/2017 3 24 PM
33	Park needs more seating and better maintenance	5/15/2017 3 23 PM
34	t's not the biggest dog park it's also right beside an extremely busy road Turn comes too soon right after the roundabout No shade Only 2 seats That aren't in the shade Bins are always full	5/15/2017 2 58 PM
35	The smaller park does not accomodate the larger numbers it receives on the weekends The surface is muddy for much of the year as there is little grass coverage and Canberra experiences frequent frosts Lighting is limited to one end and obscured by tree growth This is an issue in winter when it is dark by 5 30	5/15/2017 2 49 PM
36	There could be improvements made to improve overall experience focusing on cleanliness (ground surface) and size of park not much room to run	5/15/2017 2 39 PM
37	The carpark is tiny only 2 bins not many seats one light one dog water bowl t is always clean	5/15/2017 2 34 PM
38	Bubbler should be upgraded to the more modern bubbler at O'Connor dog park One bin outside the park for all waste	5/15/2017 2 31 PM
39	one bin one water fountain for the dogs three seats and d like to see sections fenced off to ensure the lawn can regenerate to ensure the sustainability of the park	5/15/2017 2 28 PM
40	The park is over used run down poorly maintained and uninteresting	5/15/2017 2 05 PM
41	Practicality	5/15/2017 11 37 AM
42	The ground is dusty/muddy depending on the weather The area across the road from the dog park has a large gutter making it unsafe for cars to park	5/15/2017 11 28 AM
43	Dog park is great but ground is terrible and dangerous	5/15/2017 7 48 AM
44	Needs upgrading Need better lighting parking steep incline for elderly	5/15/2017 6 04 AM
45	Casey dog park is great it's just a dust bowl	5/15/2017 5 11 AM
46	The park is tired dusty and there's only 2 seats The gates don't shut properly unless the owners are super attentive and they're not safe The entrance is slippery in the rain and its a mud bowl after rain	5/15/2017 2 33 AM
47	No grass dangerous concrete near seat not enough seats	5/15/2017 12 09 AM

48	Base on my visit experience	5/14/2017 3 18 PM
49	Basic space needs better tree cover especially for hot weather	5/14/2017 2 38 PM
50	The downward slope towards the main entrance is dangerous to walk down with excitable dogs The spaces between the bench rings are dangerous as many dogs have had their paws stuck and injured Owners do not pick up after their dogs and this may be as bins are far from the enclosure and we do not want to leave our dogs unsupervised	5/14/2017 2 15 PM
51	seating is not important it's not a people social gathering area owners should walk about with their dog	5/14/2017 12 49 PM
52	Grass would be a nice addition and water facilities with the ability to fill up within the park	5/14/2017 12 22 PM
53	The park is clean but at dry times it's a dustbowl and when wet totally muddy	5/14/2017 12 12 PM
54	The car park is in dire need of an upgrade There is not enough seating Fences need maintenance	5/14/2017 11 00 AM
55	Those owners who dog clean up after their own dog when it poos Broken tennis balls and toys	5/14/2017 8 55 AM
56	Not enough chairs to sit on not enough grass it's all dirt	5/14/2017 7 10 AM
57	Park is very dusty and minimal grass Lots of shade but sometimes too shady Only 2 seats on each side Bins are outside the enclosure which seems bizarre	5/14/2017 6 25 AM
58	Overall it's pretty well maintained it's a good size and the facilities are good	5/14/2017 6 14 AM
59	There is often no grounds maintenance there are big holes and concrete slabs roots causing OH & S issues	5/14/2017 4 39 AM
60	n terms of size for my large dog Belconnen is a great size for her but other than that there is only one water fountain and 3 seats and there is no bin inside the enclosure	5/14/2017 3 49 AM
61	The park is never really clean (parts of balls etc) some agility for the dogs in the park would be good too	5/14/2017 3 46 AM
62	More bins needed Limited seating cleanliness around bins is poor due to there not being enough and not being emptied frequently enough	5/14/2017 3 29 AM
63	Dog poo every where need free poo bag	5/14/2017 3 11 AM
64	Dog agility equipment for every ACT dog park would be great addition We have previously lived in Brisbane and almost every second suburb has a dog park some small enclosures others bigger Some had a large and small park Most parks had agility equipment and my small dogs loved it Brisbane councils also supplied bags at all parks to ensure dog poo was picked up and removed The amount of times have seen people without bags or not picking up their dogs poo in Canberra this could be a good initiative to keep parks cleaner Seating is also an issue as most of the parks (Tuggeranong and Yarralumla do not have enough seating for the amount of people who visit the park at one time	5/14/2017 2 50 AM
65	stopped using dog parks when my dogs picked up a tummy bug Too many dogs in a small space	5/14/2017 2 46 AM
66	Always tidy mowed clean	5/14/2017 2 28 AM
67	used to visit the dog park a couple of times a week but now only go once in a blue moon The grass is too long in summer and dogs have been bitten by snakes there is dog poo everywhere the shady central area becomes a dust bowl due to the amount of use and parking on weekends and after work can be dangerous due to how limited it is Having bins inside the enclosure would be much better than having them outside as well Whenever clean up after my dogs have to exit to get rid of the bag of poo and my dogs pine for me near the busy gates where other dogs are excitedly trying to get past them	5/13/2017 3 19 PM
68	The park has become a dust bowl	5/13/2017 8 08 AM
69	Needs improving in particular lighting so that in Winter there is some light till 6pm	5/13/2017 6 34 AM
70	Long grass concerning during the warmer months	5/13/2017 6 34 AM
71	To far from lanyon valley	5/13/2017 2 41 AM
72	Need artificial grass at least too much dirt poor water fountain always a pod of mud around	5/13/2017 2 05 AM
73	Sometimes the grass gets very long and hides the poo that others leave behind	5/13/2017 1 43 AM
74	Too much shade and not enough seats The bins smell especially in summer	5/12/2017 11 14 AM
75	Large dog area is badly maintained dangerous with lots of crevices that running dogs can fall and seriously injure themselves if it's been raining areas can become a big mud patch and owners have to wade through mud to get their dog (who is having fun in the mud)	5/12/2017 2 09 AM
76	reckon Yarralumla dog park is pretty fine	5/11/2017 3 08 PM

77	Yarralumla dor park is worn out Dangerous with old trees dropping branches and not enough lighting	5/11/2017 10 10 AM
78	Definitely not enough shade or seating Not sure 've even noticed a bin or anyone ever using one	5/11/2017 4 26 AM
79	This park has no water or bins inside t has only one light post at the front gate and does not feel very safe at night The rocky ground cuts the feet of my dogs and there is a lot of dust t is a well used park and it gets overcrowded very quickly The gates should be spring latched like Belconnen Dog Park	5/10/2017 5 56 PM
80	could do with improvement	5/10/2017 1 26 PM
81	Gravel in car park is washed away creates pot hole driving in car park Not enough parks many park on the road Bins stink Only one drinking fountain No shade or lighting for night this could easily be solved with solar lights on a timer No 'equipment' for the dogs could have flyball tetherball Would be great if there was at least one dog park in canberra with water access for summer	5/10/2017 12 49 PM
82	'Fair' = 'could/needs to be improved'	5/10/2017 10 30 AM
83	Overall not great Dirty and easy to escape	5/10/2017 9 54 AM
84	see below water fountain can be muddy / instructions for use are unclear	5/10/2017 2 58 AM
85	ts tired and needs grass growth	5/9/2017 7 16 PM
86	Only 1 bin water for dogs takes a while to fill up through bubbler dirt carpark is pretty rough and uneven	5/9/2017 9 02 AM
87	Gate system and bins need heaps of improvement	5/9/2017 5 30 AM
88	Generally good but could be upgraded in several area's	5/9/2017 2 47 AM
89	Wear and tear at the dog park is really starting to show The bin at the entrance often stinks and it can be difficult to bring in water from the outside tap There is often large collecitons of rocks or other debris around which would have thought would be a snake risk in summer	5/8/2017 9 27 AM
90	The water bowl is often dirty and is unable to hold much water above the dirt and grit also cant be cleaned easily Though try each time	5/8/2017 7 36 AM
91	'm comparing this park to the Marlows Lagoon dog park in the NT Acces to a swimming area within the dog park is very convenient however in all the dog parks here in the ACT you have to take your dog to an area that isn't enclosed and where there are also small children and families near by having bbqs Not good for dogs as their first instinct is to follow the food f the tugg park were to extend the fence line to the lake to allow dogs to be able to swim	5/8/2017 6 43 AM
92	The ground is ok but needs some tlc on things like Ants nests long grass general tidy	5/8/2017 4 53 AM
93	Generally Diddams Close dog park is very good but i have a few suggestions to make re placement of bin water fountain and seating and the locks on the gates	5/7/2017 6 01 AM
94	The soil is too lose lots of dust when dogs play Need better heavier soil or mulch	5/7/2017 2 32 AM
95	Water drips creating mud Too much dirt dogs are filthy at the end of their stay Seating is in the sun and poorly sited for summer Need additional seating	5/7/2017 1 57 AM
96	Ye grass needs to be kept short in summer so snakes are visible and tidy around fences	5/7/2017 1 55 AM
97	The parks are good but there is absolutely no maintenance and bins rarely get emptied	5/6/2017 2 36 PM
98	The size of the park is great but it is very dusty and bare A bit more grass may be nice The carpark is a bit rough and the water fountain is outside the park so someone has a pipe from the fountain into the park	5/6/2017 8 32 AM
99	The large dog area is too small for the number of people who use it	5/6/2017 5 31 AM
100	plastic bags provided would be good bit bigger for large dogs always nice water for swimming in off leash on this 30 plus days would also be nice	5/6/2017 3 39 AM
101	Based on Yaralumla	5/6/2017 2 01 AM
102	There is no seating and the surface is bad in wet weather	5/6/2017 1 56 AM
103	The park is very dusty and dirty The small dog enclosure is hardly used as it is so dirty and not maintained	5/6/2017 1 50 AM
104	2 bins (one at each end) too many people bring their small dog into the large dog enclosure	5/6/2017 1 29 AM
105	Dog park can get muddy in central ditch when has rained addition of rocks there has helped but could have more or something similar	5/5/2017 8 04 PM
106	not enough seating not in the shade only 1 bin	5/5/2017 5 08 PM

107	Lack of seating options dogs tend to play at the other end to the water fountain ground is in poor shape gets muddy after rain car park surface is very dusty needs to be leveled and better surface laid bin inside the park to make disposal of waste easier	5/5/2017 2 27 PM
108	Not maintained 2 3 bench seats not adequate for dog owners	5/5/2017 1 51 PM
109	A number	5/5/2017 1 14 PM
110	Car is small and have to park road side Rough Water fountain does not work well Grass needs to cut at fence line	5/5/2017 12 18 PM
111	Dust bowl one bin no bag dispenser one light poor lighting poor owner behaviour	5/5/2017 11 56 AM
112	A low lying area becomes a mud hole when wet and owners must put a muddy dog into the car Water supply was broken on my last visit Need to stop cars parking illegally on the grassy verge We already have a dust bowl on a sloping site which just washes topsoil into the storm water drains	5/5/2017 11 51 AM
113	Based on 3 months of regular usage with a smaller dog	5/5/2017 11 45 AM
114	Small dog enclosure needs more seating closer to entry have a disability and can only walk very short distances so an extra bench seat would help so much I'd also like to see better parking arrangements (while used to enjoy the walk to the dog park unfortunately that's no longer possible My partner walks the dogs there but need to drive) We often drive further to go to Yarraluma because it's a flatter site and easier for me it's also more pleasant with pine trees which seem to make it less muddy/dusty	5/5/2017 11 34 AM
115	wish all the dog parks were as big if not bigger than this one	5/5/2017 11 19 AM
116	Bins state of paths lighting (or lack of) slack maintenance water	5/5/2017 11 18 AM
117	It's a nice park to visit large enough for the dogs to have space to run and socialise or just be on their own	5/5/2017 10 08 AM
118	Needs a better ground surface	5/5/2017 10 06 AM
119	Small dog park too small especially on weekends when it is over utilised	5/5/2017 9 16 AM
120	The park has lovely established trees but the play areas are all hardened dirt so dusty in summer and muddy/slippery in winter	5/5/2017 8 50 AM
121	Sometimes the drainage is poor particularly at the yarralumla one	5/5/2017 8 43 AM
122	don't want to blame TCCS for shortfalls other users are problem The ground surface in car park needs fixing in dog park perfectly fine	5/5/2017 8 25 AM
123	Shade/Seating benches are only shaded during winter months when they don't require shade Bins when emptied they are never placed back just put somewhere near the park entrance one day they were found 200m away Ground Surface Fully eroded and threatening the lake Water One bowl available in the big park the tap is positioned so that some larger dogs cannot even drink from the bowl Needs a trough and a second watering spot	5/5/2017 8 16 AM
124	3 is OK	5/5/2017 7 55 AM
125	It's a dirt bowl	5/5/2017 7 41 AM
126	Car park is rutted and needs surfacing/grading Only 2 seats in the large enclosure Water fountain small and difficult to use/empty/refill	5/5/2017 7 25 AM
127	Not much lighting and for most of summer it wasn't working Quite a few owners don't clean up after their dogs Wish there was some agility equipment for dogs	5/5/2017 7 09 AM
128	The highly eroded car park surface is simply a disgrace Difficult to believe it is in Yarralumla	5/5/2017 6 59 AM
129	The small dog park needs to be bigger to allow the grass to grow and not to be a dust bowl this is getting worse every year	5/5/2017 4 51 AM
130	Some improvements could be made to increase enjoyment for dogs and carers	5/5/2017 4 45 AM
131	There is only one small bench seat too bad if it's already taken when arrive For me that's a major issue as need to sit because of my arthritic knees	5/5/2017 4 20 AM
132	It's an enclosed dirt area	5/5/2017 3 53 AM
133	Issue Point hut	5/5/2017 2 43 AM
134	the walk path is uneven and quite dangerous for both dog and people when walking around Not enough bins around and are not emptied often enough leaving a foul smell mid week Only 1 water fountain in the large dog enclosure is not enough causing fights amongst dogs trying to get at the drink bowl	5/4/2017 12 41 PM
135	Could be mowed better and more often Extra seating needed e.g 3 more benches in shade	5/4/2017 9 47 AM

136	t is small mulch never replaced	5/4/2017 4 12 AM
137	Too many people not picking up dog mess	5/4/2017 2 25 AM
138	Very little parking (for four cars) hard to access when coming from the north	5/3/2017 1 59 PM
139	The provision of dog bags and dog bins within the enclosure would make it more convenient for other owners to clean up after their dogs and therefore improve the cleanliness of the park	5/3/2017 11 50 AM
140	have had to chase up mowing at one stage	5/3/2017 9 49 AM
141	Water bowl doesn't fill sufficiently ground is rocky parking is inadequate at busy times	5/3/2017 9 45 AM
142	All generally good but surface terrible have to wash dog when get home So dont use these areas as much as would if grassed instead of dirt	5/3/2017 9 42 AM
143	The large carpark is heavily used and being dirt it suffers badly from erosion etc t is very dusty and rough t needs to be either bitumen or at least road base There needs to be a "doggy bag" dispenser at the gate to encourage people to pick up after their dog although it would appear most people don't give a shit (pun intended) frequently spend my time picking up the dog waste and often get between 20 40 dropping at a time	5/3/2017 9 33 AM
144	Although it is a good park parking a car is almost impossible sometimes due to the small size available	5/3/2017 9 19 AM
145	Seating in the wrong place People do not pick up their dogs poo	5/3/2017 7 55 AM
146	seating is often in sun during summer and in shade during winter so need more strategically placed seats	5/3/2017 5 27 AM
147	nsufficient mowing no infrastructure insufficient paths	5/3/2017 2 13 AM
148	there is quite a lot of bark chip in the little dog area	5/3/2017 1 59 AM
149	We used to live in Adelaide the dogs parks there were excellent by comparison clean well maintained with good surfaces The dog parks here are full of poo as no bags are provided to encourage people to clean up The bins themselves are out side of the park and disgusting The ground is either dirt or mud	5/2/2017 4 36 PM
150	More seating in the shade is required Bins are disgusting	5/2/2017 1 44 PM
151	Needs grass it's basically an unpleasant dust bowl	5/2/2017 12 07 PM
152	Needs more grass maybe another pathway and gates need to be better maintained	5/2/2017 11 43 AM
153	have used average as just that A majority are marked average or better Those that are fair are rated that way because feel these could be done better	5/2/2017 10 52 AM
154	like the park but it has some flaws	5/2/2017 6 09 AM
155	Current condition	5/1/2017 4 18 PM
156	Water fountain should be inside enclosure bins should be more than 1 and should be inside enclosure car park should be bigger enclosure needs some grass	5/1/2017 3 32 PM
157	The park is very run down with broken equipment and seats	5/1/2017 2 28 PM
158	go to this park rather than Casey or Forde as it is big and my big dogs can have a good run Casey and Forde are too small	5/1/2017 1 30 PM
159	No maintenance t's a dust bowl	5/1/2017 1 03 PM
160	The park is very neglected would visit more often if it was better	5/1/2017 12 25 PM
161	There is only one bin at the main entrance and it's almost never emptied There is basically no lighting except at the main entrance There have been issues with trees falling down and it's been noted that they won't be replaced There is a huge mud puddle the dog park could use better drainage The parking lot is very generously sized but could use some grading	5/1/2017 11 17 AM
162	There is no grass only dirt surface and don't believe maintenance was carried on it ever	5/1/2017 9 35 AM
163	there is only one area i think it would be great if there was a area for small dogs and a separate on for large dogs	5/1/2017 9 25 AM
164	Forde is turning into a ghetto like bonner and some arseholes have destroyed the seats making it dangerous for the dogs And the act gov does f all to fix this even tho many people called canb connect about it	5/1/2017 9 22 AM
165	Some things need improvement	5/1/2017 8 58 AM
166	This park has been reduced to a dustbowl or mud pit depending on the weather	5/1/2017 8 14 AM

167	The Forde dog park is well used and requires maintenance t has not had regular upkeep so both bench seats have been smashed and not repaired and the ground surface is poor (dirt which turns to mud after rain and large puddles remain for weeks)	5/1/2017 7 41 AM
168	The park needs individual yards for small and big dogs A fountain with bowl attached would be better then the tap The place is a dust bowl and there is insufficient shade and the seating is broken	5/1/2017 7 16 AM
169	Reality	5/1/2017 7 09 AM
170	Don't visit very often due to poor conditions(too dirty/dusty)	5/1/2017 6 44 AM
171	The dirt/bark ground surface is terrible Dusty or muddy different times of the year our dog is often covered in dirt/dust/bark after we visit we have to wash his eyes	5/1/2017 6 34 AM
172	maintenance is lacking	5/1/2017 6 11 AM
173	The dog park formerly cared for by the LDA and Canberra nvestment Corporation has fallen into disrepair following handover to TCCS The locational attributes and shading from retained trees is excellent The seating is missing the majority of planks leaving people no where to sit the base concrete is exposed due to the ground cover no longer being replaced and the hard surface is not pleasant for our dog As a family we used to go to the park every second day but the current state of the park means few people use it anymore	5/1/2017 6 04 AM
174	could be more seating around the parks	5/1/2017 5 29 AM
175	We visit the park daily and we are very happy with the Belconnen park generally Additional bin/s could be useful and perhaps a couple more seats The surrounds are green and lush and at certain times of year the centre can get a bit dusty and when wet muddy But overall we have had wonderful experiences for 6 years now Thanks please keep up the great service	4/28/2017 3 35 AM
176	Dog park is generally good	4/27/2017 1 58 PM
177	Park is an all round good park really enjoy it	4/26/2017 2 43 PM
178	needs paths parking and can be unmowed	4/24/2017 11 02 AM
179	The Yarralumla park was lovely when it was first established but unfortunately it has not been maintained and it has deteriorated considerably	4/24/2017 8 42 AM
180	Weird field to include but basically feel my answers are self explanatory if you've ever looked at the place	4/24/2017 2 47 AM
181	There are a number of physical problems for dogs and people that need to be addressed	4/22/2017 7 00 AM
182	Not enough parking cars line the side of the road and park on the dirt	4/20/2017 10 38 AM
183	Based on experience of multiple daily use	4/20/2017 1 54 AM
184	use the smaller dog park mostly and drive my car to the park	4/19/2017 4 42 AM
185	Overall maintenance of Dog Park is very poor	4/18/2017 2 37 AM
186	The dog park is a great size but we need more bins and drink fountains t would also be really useful to be able to empty the dog water bowl The plug in the bottom got jammed within a few weeks of installation due to dirt The bowl needs to be able to be tipped over	4/17/2017 1 43 PM
187	The majority of the park is dirt no grass Bins are available outside the park but nothing inside Water is available outside of the park but no mechanism is available to make water accessible inside the park	4/16/2017 7 41 AM
188	Need water inside the enclosures	4/15/2017 1 49 AM
189	Erosion and lighting in large dog park	4/14/2017 5 25 PM
190	Water fountain leaks and creates puddles and mud	4/14/2017 3 32 PM
191	t is a pretty average dog park Very hot and dusty in summer Not many places for people to sit No dog poo bag dispensers The car park is terrible and dangerous	4/14/2017 12 39 PM
192	Great size but needs upgrades	4/13/2017 1 34 PM
193	Very dirty poor condition during the rain season ask for improving the condition	4/13/2017 7 58 AM
194	The ground surface of Forde dog park causes a lot of issues with cleanliness and maintenance This is especially the case when it rains	4/13/2017 7 47 AM
195	Access and use of park	4/13/2017 3 08 AM

196	Dog bowl and bins outside park pretending good supervision All top soil have washed down hill exposing sharp rock None of the seat is located is lighted areas No cover from rain or shade	4/12/2017 12 42 PM
197	As a senior find walking in the small park awkward	4/11/2017 11 45 PM
198	The Tuggeranong dog park needs more benches more plants grass and flower beds it needs more water fountains and possible garden statues so it looks prettier the rules need to be bigger and cleaner need more parking also aggressive dogs should not be taken off their leashes	4/11/2017 3 29 PM
199	The park was great 5 years ago but is outdated and needs work	4/11/2017 3 12 PM
200	Paths at access need concreting to reduce slips and falls and to provide wheelchair access Parking needs to be larger and flat Water fountains need to be larger or more	4/11/2017 12 54 PM
201	Large dogs in the small dog enclosure are a consistent issue as is parking	4/11/2017 11 11 AM
202	Based on my opinion	4/11/2017 9 19 AM
203	Love having a place to take my husky for a good run play being social etc	4/11/2017 6 20 AM
204	The car park is very uneven and needs resurfacing	4/11/2017 4 31 AM
205	car park surface is poor more seats for aged people drainage at Yarralumla large dog area needs fixing continually blocks up and dog drinking water top up needs to be improved	4/11/2017 4 28 AM
206	No grass no lights very little to enrich the dogs	4/11/2017 2 54 AM
207	There's a big dirt patch in the middle of the park that hasn't been looked after so all the dogs have to run on is the dirt The park needs better care of its grass So many hazards because of the tree roots and "path" they've put in that isn't a path anymore	4/11/2017 2 00 AM
208	No grass in big dog area so many trip hazards only one water bowl and its tiny	4/11/2017 1 57 AM
209	Always room for improvement	4/10/2017 2 40 PM
210	Needs more bins	4/10/2017 11 37 AM
211	Forde dog park is very small and is for all size dogs no large/small areas	4/10/2017 8 28 AM
212	There is a huge problem with soil erosion bins stink before they are emptied and and not returned to position seats have been carefully placed so they are in the shade in winter and sun in summer there really should be a water bowl at the other end of the park too	4/10/2017 8 05 AM
213	Seating is broken no shade no bins only one enclosure no split for large and small dogs ground cover is just dirt so can't be used in the wet	4/10/2017 2 22 AM
214	There is no water or bins inside the yard Very hard to fill water bowl	4/9/2017 1 12 PM
215	carpark is rubbish and not enough bins	4/9/2017 8 17 AM
216	Not enough seating in appropriate places The movement of the sun throughout the year needs to be taken into consideration Currently the seating there is in the shade in winter and in the sun in summer P	4/9/2017 7 49 AM
217	the park has not been maintained since being hand to the ACT govt The water tap and drainage is insufficient there is still reminance of green string plastic from when the original grass was laid contributing to a trip hazard the chairs are so damaged you cant sit on them there is no safe place for timid or scared dogs the ground surface is in such bad repair you cant go there after the smallest amount of rain The park is a disgrace and i feel as and original buyer in forde i was sold a "premium" suburb under false pretense as the ACT govt has not held the standard of maintenance purchased under	4/8/2017 1 19 PM
218	Not mowed internally enough during snake season	4/8/2017 12 28 PM
219	it was fun and like dogs	4/8/2017 3 35 AM
220	The park needs better access to water and more grassy area	4/7/2017 6 30 AM
221	Given the green space available the enclosure should be larger	4/7/2017 2 28 AM
222	We like the Casey Dog park but would love to see it taken care of regularly by the Council More green grass would be awesome Have a dog park full of dirt is the pits	4/6/2017 12 54 PM
223	Weeds rubbish and tree branches/debris	4/6/2017 11 50 AM
224	Great park but grass has worn completely which really hinders enjoyment by dogs Dogs get dirty and dusty and need washes after each visit which wouldnt be necessary if there was more grass	4/6/2017 7 36 AM

225	Both areas are too small for the volume of dogs that regularly use them Also the water fountains are outside and ppl have rigged up all kinds of hoses and containers to offer water inside This is a trip hazard	4/6/2017 6 59 AM
226	There are times when the mowing doesn't take place enough hence risk of snakes and also grass seeds There is an area that turns to mud which would benefit from some landscaping	4/6/2017 1 48 AM
227	The car park is in need of grading and trees are falling over And the ground is covered in rocks and erosion The size of the dog park is excellent with good variety of environments for the dogs Lots of shade which is excellent in the summer	4/6/2017 12 48 AM
228	The park is generally good but does need minor changes	4/5/2017 3 19 PM
229	use the small/elderly dog area and find it suitable for my dogs' needs The gates were a problem when my dogs were smaller as they could fit under the gate Needs better water access in the park	4/5/2017 2 35 PM
230	Chairs recently vandalised Dust bowl no tan bark No segregation for smaller timid dogs if req nadequate parking overflows to streets Live 3 doirs away and dont use it due to prevalence of large dogs with arrogant owners	4/5/2017 2 22 PM
231	The water bowl is tiny and easily knocked off its platform The drainage in the park is so bad we can't go if it's rained in the last 2 days The seats have all been broken and are unusable t is too small to accommodate many dogs or to separate smaller dogs from large dogs	4/5/2017 1 53 PM
232	Basically its a dirt park	4/5/2017 1 42 PM
233	Yarralumla is the best out of all of the dog parks 've been to however the water fountain isn't the greatest but the rest of it is ok	4/5/2017 1 06 PM
234	Would be great if there were bags provided like at NSW dog parks	4/5/2017 12 58 PM
235	So much dirt in the enclosures more grass is needed The dogs always come home filthy think we would use it more if there wasn't so much dirt/dust	4/5/2017 12 52 PM
236	Needs real grass maintained and watered Small space no equipment needed for dogs	4/5/2017 12 39 PM

358	Need some lighting at night	4/5/2017 8 54 AM
#	2.	Date

1	Paths There is currently only one path in quite poor condition t is also does not utilise the whole park Putting in an additional intersecting park would be good and encourage more people to actually walk around the whole park once again avoiding territorial behaviour of dogs that	5/22/2017 3 27 AM
2	provide doggie poo bags (can't recall if these are provided??)	5/20/2017 7 54 AM
3	Nothing for dogs to play on/ around Give rotary a \$50k grant & they'd improve it out of sote	5/20/2017 1 36 AM
4	Concreted area around drinking fountain so there isn't a muddy pool underneath	5/19/2017 12 35 PM
5	Limited seating	5/19/2017 7 50 AM

51	Toilet	5/15/2017 2 43 PM
52	Ground / maintenance of area	5/15/2017 2 40 PM
53	Size of park would be nice to be able to have more space	5/15/2017 2 39 PM
54	Bigger small dog park	5/15/2017 2 36 PM
55	More bins nobody likes carrying poops	5/15/2017 2 34 PM
56	Create other separate entries into the small dog park or it becomes a bit tricky with large dogs coming in/out and smaller dogs	5/15/2017 2 31 PM
57	Seating	5/15/2017 2 29 PM
58	better and more parking as the erosion on the dirt carpark is terrible	5/15/2017 2 28 PM
59	More shade	5/15/2017 2 23 PM
60	Size because there are often many dogs some aggressive	5/15/2017 2 05 PM
61	Ensure bins stay inside the parks aswell so there is no risk of gate being left open	5/15/2017 11 37 AM
62	Car parking increased see comment above re the high gutter (compacted soil)	5/15/2017 11 28 AM
63	Some equipment such as tunnels weave poles hoops hurdles and ramps for the dogs would be nice	5/15/2017 8 06 AM
64	more shade would be nice	5/15/2017 8 02 AM
65	Ground horrible dirt gets everywhere when it's dry and becomes a mud pit when it rains	5/15/2017 7 48 AM
66	Lighting in small park poor Area small and steep and rocky for elderly	5/15/2017 6 04 AM
67	the surface	5/15/2017 5 11 AM
68	More seats	5/15/2017 2 46 AM
69	More shade	5/15/2017 2 33 AM
70	Agility challenges	5/15/2017 2 00 AM
71	More seating	5/15/2017 12 09 AM
72	inside the dog park not enough grass area	5/14/2017 3 18 PM
73	Things for dogs to do	5/14/2017 2 38 PM
74	Providing poo bags inside the park would encourage more people to clean up after their dogs	5/14/2017 2 15 PM

1	same three comments as above	5/20/2017 7 54 AM
2	Play things Big concrete tunnel to run through something to run up platforms dogs like to play	5/20/2017 1 36 AM
3	Toilets	5/19/2017 12 35 PM
4	Obstacle course would be great	5/19/2017 7 50 AM
5	Rain cover	5/19/2017 6 23 AM
6	There is minimal lighting at O'Connor dog park and this is especially bad during winter when it gets dark so early There is one bin for the whole park and it's outside of the enclosure (not the case in yarralumla or Belconnen) and the bin is at the top of the hill if dog poos at bottom it's very annoying	5/18/2017 7 32 PM
7	Obstacles and ground cover	5/18/2017 4 01 PM
8	A sign for the small dog park Asking for boisterous dogs big or medium sized not to be there understand that some big dogs like labs and smooth collies are very gentle so don't want to ban all big dogs But otherwise they are too dangerous and uncomfortable for the smaller dogs (and us owners) Maybe the sign could say that larger boisterous dogs are not allowed and if your gentle larger dog is causing distress to a smaller dog then please remove to the big dog park	5/18/2017 7 34 AM
9	Better rules	5/17/2017 1 41 PM
10	Good lighting	5/17/2017 12 43 PM
11	Dog poo bag dispenser Most people bring bags however some forget or have unexpected dog abluitions providing bags means there's no excuse not to pick up after your dog 've seen them provided at most off leash dog areas in NSW Make it a trial see if it's abused by people taking too many but doubt it	5/17/2017 12 36 PM
12	participate in agility dog training at ccdc in symonston would love to have some basic equipment available at my local dog park A couple of small jumps and weavers even poles in certain areas would allow people to train their dogs whilst at the park A particular section within the park designated for training rather than just dogs running around would be very beneficial	5/17/2017 11 18 AM
13	a dof poo composter would be more environmental water for dogs shade	5/17/2017 2 49 AM
14	Lighting	5/16/2017 2 52 PM
15	Lighting for after hours access for those that can't walk their dogs until night time	5/16/2017 10 55 AM
16	Some more trees to help secure the soil and provide a bit of protection from the elements in the middle of the dog park Dog park Code of conduct sign at the gate Some kind of bag dispenser of older/recycled/donated plastic bags for poo pick up positioned around the facility More bins and poo pick up reminder signs	5/16/2017 4 01 AM
17	Self closing gates Dogs occasionaly escape because people expect them to be self closing so when they don't latch closed the dogs push past and run into the carpark Some built in agility features (like what Forde has) would be a great addition	5/16/2017 3 51 AM
18	Grass various equipment like Forde	5/16/2017 3 38 AM
19	A proper water station for dogs to drink out of	5/16/2017 3 23 AM
20	Better lighting from the car parking area(s) to the front entrance as well as better lighting from the lake path to the park entrance near the lake	5/16/2017 3 21 AM
21	Lighting	5/16/2017 3 13 AM
22	Nope	5/16/2017 2 48 AM
23	Poo bags and a notice board	5/16/2017 2 23 AM
24	Lights	5/16/2017 2 23 AM

25	Separate "time out" pens for overly excited dogs (a safety concern)	5/16/2017 1 43 AM
26	Toilet facilities and perimeter clearing to prevent snakes in long grass	5/16/2017 1 09 AM
27	More seating please	5/16/2017 12 57 AM
28	More bins More seating	5/16/2017 12 27 AM
29	Spare Poo bags	5/16/2017 12 15 AM
30	Not really	5/15/2017 11 50 PM
31	Time out space	5/15/2017 11 10 PM
32	was going to suggest a bigger park area	5/15/2017 6 12 PM
33	Toilets for humans Coffee/mobile coffee van Agility equipment	5/15/2017 4 47 PM
34	Toilets Lighting	5/15/2017 4 20 PM
35	As said we need a medium dog park at Belco as my two dogs (beaglier and Dalmatian) are too big for the small run (we get looks and things are said to us) but definitely my deafie would benefit from something not as big as the large run as can't call her back but somewhere where we can feel safe and not judged Somewhere fun for medium sized dogs that won't get overrun by the big guys Please	5/15/2017 4 17 PM
36	Not really but the park does need bins within the park (not so far from it) and more seats/water stations within the park	5/15/2017 3 57 PM
37	Water facilities inside the park	5/15/2017 3 54 PM
38	Water taps Public toilets surrounding More than 1 bin	5/15/2017 3 50 PM
39	Toilet close by	5/15/2017 3 42 PM
40	Agility features small dog area is not exciting for little dogs to run around in	5/15/2017 3 42 PM
41	Toilets	5/15/2017 3 24 PM
42	Poo bag dispensers	5/15/2017 3 00 PM
43	Grass seats shade	5/15/2017 2 58 PM
44	Signage/warnings regarding supervision of young children have often seen toddlers left to wander around without consistent supervision As a dog owner this makes me nervous as my dog could accidentally knock over these children in excitement which could end up hurting the child	5/15/2017 2 49 PM
45	Toilet	5/15/2017 2 43 PM
46	Poo bags more bins shade seating	5/15/2017 2 40 PM
47	Seating	5/15/2017 2 39 PM
48	Lighting for night access?	5/15/2017 2 36 PM
49	Very big clear signs letting people know not to bring small dogs into large dog enclosure and reasons why (you trust your dog what about mine?)	5/15/2017 2 34 PM
50	Make it bigger it's very popular on the weekends	5/15/2017 2 31 PM
51	Toilets	5/15/2017 2 29 PM
52	More dog fountains seats and would like to see sections of the park fenced off to regenerate the grass around the park	5/15/2017 2 28 PM
53	Add some features to interest dogs perhaps some old tree trunks for them to explore climb on and sniff A shallow concrete lined wading pool Have a third area for large or over dominant dogs to separate them from the calmer more placid medium sized dogs Access to the lake	5/15/2017 2 05 PM
54	Yes we need a S GN that indicates TO SHUT THE GATE as too many people are not closing the gates they are not taking care and it makes it easy for dogs to escape and 've even seen a dog hit by a car so we need S GNS on both sides of each and EVERY gate that they MUST be closed Lack of supervision for kids with the gates but several gate offenders are adults	5/15/2017 11 37 AM
55	Lights particularly in shorter daylight times would be more inclined to take my dogs after work if there was artificial light Toilet facilities Maybe a sand pit or similar for dogs to dig	5/15/2017 11 28 AM
56	more space	5/15/2017 8 02 AM

57	Would love a path around the outside (in the park but around the fence line sort of thing) so you could potentially safely jog and avoid the constant tripping hazard rocks everywhere else	5/15/2017 7 48 AM
58	Lighting and easy access to the park for elderly Easy access bins Sheltered area for sun and rain	5/15/2017 6 04 AM
59	Would be great to have a water hole for the dogs to play in But understand the cost/maintenance around this may not be feasible	5/15/2017 5 11 AM
60	Spring shut gates More seats	5/15/2017 2 46 AM
61	Another water station better surface areas	5/15/2017 2 33 AM
62	More suitable water points and new one in middle or rear	5/15/2017 12 09 AM
63	Very cheap easy play things for dogs Please visit Dru Point in Hobart there are tunnels (pipes) agility play things made very cheaply runs up & down Great park Every canberra dog park could have agility things for next to nothing A creek running through for paddling/cooling down would be fantastic	5/14/2017 2 38 PM
64	Lights	5/14/2017 2 15 PM
65	Multiple sources of drinking water	5/14/2017 2 15 PM
66	Lighting in winter cannot access after work on weekdays because it's too dark	5/14/2017 1 40 PM
67	a little more shade	5/14/2017 12 49 PM
68	Doggy do bag dispensers and more bins which are easier to access from within the parks	5/14/2017 12 22 PM
69	There is hardly any lighting making it hard to go after work in winter	5/14/2017 11 52 AM
70	Yes see above Free bags Agility equipment	5/14/2017 11 00 AM
71	As above	5/14/2017 9 29 AM
72	water play/ swim area would be great Not too deep Small dog area can get over crowded at times so a larger area would be great Needs to be more interesting like the large one with rocks and logs in ground The small one is bare	5/14/2017 8 55 AM
73	Addition seating and water fountains grass	5/14/2017 7 10 AM
74	As above a third area would be great	5/14/2017 6 31 AM
75	Maybe including some training stuff for dogs like they have in Brisbane	5/14/2017 6 16 AM
76	Some agility type structures would be really fun for dogs	5/14/2017 6 14 AM
77	Not enough lighting and poor drink station	5/14/2017 6 05 AM
78	Lights	5/14/2017 4 40 AM

80	Agility	5/14/2017 3 46 AM
81	Something for the dogs to jump up on please use trees that will be cut down soon	5/14/2017 3 38 AM
82	Poo bag dispensers might encourage people to pick up after their dogs especially if combined with bins inside the perimeter fence Agility/jump type equipment would be nice as a little bit of extra enrichment for the dogs	5/14/2017 3 29 AM
83	Access to dog friendly swimming area	5/14/2017 3 22 AM
84	Shade cloths and more seats pls	5/14/2017 3 11 AM
85	Agility equipment for dogs would be an excellent addition	5/14/2017 2 50 AM
86	improve size Add dog agility equipment	5/14/2017 2 46 AM
87	Grass cover	5/14/2017 2 28 AM
88	the park is across from the lake and in summer many people take their dogs swimming it would be wonderful to have a designated swimming area signage for bikes to slow down as they race along the path when people are exiting the back gate and crossing the path to go to the lake	5/13/2017 3 19 PM
89	Agility activities such as those at Forde	5/13/2017 8 08 AM
90	A paved car park	5/13/2017 4 11 AM
91	All of the above plus one car park is very uneven needs to be fixed not all people have 4 wheel drive cars	5/13/2017 2 05 AM
92	Lighting	5/13/2017 1 43 AM

93	Shelter/canopy for dog owners for shade in summer and as protection in winter Writing this reminded me concrete area around 1 seat is dangerous as drop to eroded and uneven dirt in immediate vicinity	5/12/2017 2 09 AM
94	Self serve dog wash	5/11/2017 3 11 PM
95	How about some poo bag dispensers at each entrance or at least at Banks Street These are all over Sydney something like these http://www.commercialsystems.com.au/product/doggie-bag-dispenser/	5/11/2017 3 08 PM

102	Lighting at night No play equipment flyball / tetherball etc Need at least one dog park in canberra with water access for summer swimming	5/10/2017 12 49 PM
103	Perhaps a gazebo (or similar structure) for humans stuck in the rain?	5/10/2017 10 30 AM
104	The above	5/10/2017 9 54 AM
105	A wide concrete path from carpark to the entry/entry cubicle would make it easier to control your dog and safer if your not worried about slipping over etc	5/10/2017 2 58 AM
106	Toilets	5/9/2017 7 16 PM
107	There are no lights inside the park so it's hard to visit after work during the colder months	5/9/2017 9 02 AM
108	The agility equipment at Forde is fun would like that at Casey Perhaps having the water inside as well	5/9/2017 8 01 AM
109	The only reason go to Casey is because Forde park is covered in dirt and the air gets dusty Fix that and we'll go there	5/9/2017 7 44 AM
110	Solar powered fairy lights around a tree like in the city to make the area less inhospitable in the dark some of us get home when it is dark in winter Bike racks	5/9/2017 5 30 AM
111	More shade and possibly better or bigger water/dog bowl sources they get mighty slobbery and goopy mighty fast	5/9/2017 3 20 AM
112	Poo bags provided to encourage pickup	5/8/2017 11 08 AM
113	Maybe a sand P T if owners stop their dogs pooping in it For summer maybe a water feature designed to interest and attract dogs	5/8/2017 7 36 AM
114	Good lighting to promote people taking their dogs there after work in winter	5/8/2017 6 27 AM
115	Not really	5/8/2017 4 53 AM
116	There are bins at the front gate but none at the back Would also welcome some very clear signage about expectations of dog (and people) behaviour in the park	5/8/2017 4 01 AM
117	Guide line for owner behaviour Means of reporting poor behaviour by telephone or email May be some compliance measures are required	5/8/2017 1 58 AM

229	rrigation and grass s it not possible that rainwater could be used?	4/23/2017 12 55 PM
230	1 water tap(bubbler) for humans 2 area immediately around the tap gets very muddy a tiny bit of concrete would be good 3 needs ground cover too muddy to go to when it rains and usually very dusty 4 a separate area for smaller dogs would be good we often turn around and go home if there are big dogs that the owners don't control properly 5 the extra bit of land at the far side of the park could be included in the park 6 grass at far side of the park should be cut esp in summer because of snakes 7 the entrance gateway has a big patch of dirt and weeds on it should be removed so people can use that are for eg prams or if there are more than one owner and dogs present in the area at the same time	4/23/2017 11 42 AM

231	The dog park is in essence an effective community hub bringing the community together who have a common interest t should cater for the needs of the dogs able bodied adults as well as children Currently there is really no way of keeping the smaller children away from happily running large dogs This means it can't be an easily organised family outing A children's playground could be provided in the grassy area closest to Ginninderra Drive opposite the entrance from the toilet block end have mentioned shade in summer but the wind in winter can make a park visit daunting for owners have no idea how this could be achieved but some sort of windbreak on the lake side of the park might improve the Arctic conditions in winter	4/22/2017 7 00 AM
232	fence line should not be shared between the small and large dog parks	4/21/2017 5 23 AM
233	As above	4/21/2017 5 12 AM
234	Fenced access to the water People let their dogs out of the park across the path to get to the water Sometimes this causes issues for passing bikes f there was a little pedestrian overpass and fenced access to the lake it would greatly improve the park	4/20/2017 10 38 AM
235	1 Wind break 3 deep shrub belt outside western boundary to reduce wind in winter Plant local species for small bird habitat	4/20/2017 1 54 AM
236	n the small dog park there is a lack of walking track around the park The idea of the park is to keep dogs moving The small park has a lot of elderly people with small dogs and due to the slope of the land it is difficult for them to walk around the park exercise for dog and people A path in and around the trees would be a pleasant addition	4/19/2017 4 42 AM
237	Separate access for smaller dogs so they cannot be in contact with larger dogs	4/19/2017 4 04 AM
238	lots of the old trees haven't been replaced after being taken out/dead whipper snipping the tall grass along the fence when it is mowed a wet weather shelter for rainy fix the springs and latches on the entry/exit gates	4/18/2017 2 37 AM
239	Toilets Whilst dogs can utilise the open space to relieve themselves the owners can't and there are none nearby t would be great if poo bags were supplied as per the local councils in WA (they are replenished frequently and everyone uses them) Surface the car park there is ample parking but it would be better utilised if it was surfaced with bays marked Each time it rains the car park gets bumpier and more unusable More and more people are parking on the grass next door to the car park	4/17/2017 1 43 PM
240	More signage about appropriate behaviour (dogs AND owners) Grass	4/16/2017 7 41 AM
241	Poo bags	4/15/2017 9 39 AM
242	Lighting As it gets dark early it is hard to walk around the park There are often unseen tripping hazards	4/15/2017 2 31 AM
243	Water inside enclosure	4/15/2017 1 49 AM
244	An extra walking track right around the edge People often walk this path but have to dodge potholes and dog poo in order to do a full lap The inner circle around the dead area is too small and doesn't separate the dogs enough	4/14/2017 5 25 PM
245	Although always try to take bags to pickup our dogs' mess but sometimes run out or forget would be good to have some pickup bag dispensers in case and to encourage other owners who don't bring their own	4/14/2017 3 32 PM
246	Poo bags	4/14/2017 12 39 PM
247	A flowing water feature that the dogs can play in	4/14/2017 1 59 AM

249	Cleanist	4/13/2017 7 58 AM
250	Only access to shade	4/13/2017 3 08 AM
251	dog play equipment eg agility tunnels etc undercover seating to protect humans from wind and rain extra lighting as park is often used late into the evening and lighting in more areas will encourage more of the park to be used and allow poo to be picked up easier Poo pick up bags so that owners feel more obligated to pick up poo water bowl and bins inside the park owners have to leave the yard to fill up the makeshift tubs and bowls that owners have put in place themselves and this is hazardess as dogs require constant supervision Toilets 'm pregnant and kids often need the toilet on trips to park	4/12/2017 12 42 PM
252	Seating in shade during summer Shelter from rain Connection of dog park with lake	4/12/2017 10 12 AM
253	separation between big and small dogs	4/12/2017 3 04 AM
254	water fountain not adequate	4/11/2017 11 45 PM
255	Flowers grass statues and need more dogs or more dog socials More benches and water fountains Need more dogs at times it's very quiet more advertisement that it exists	4/11/2017 3 29 PM
256	Not really if it was maintained it would still be a great park	4/11/2017 3 12 PM

257	More lighting in big dog park 1 at the opposite side is needed Footpath is not adequate and requires PROPER concreting To reduce slipping as well as allowing access for wheel chairs and elderly people There is often up to 20 30 cars in the afternoon and water has damage gravel Adequate parking is needed	4/11/2017 12 54 PM
258	Waste bag dispenser	4/11/2017 11 11 AM
259	Obstacles for the dogs to use for interest/exercise Lighting at the rear of the large dog yard very difficult to see in winter (and therefore harder to pick up after your dog)	4/11/2017 9 19 AM
260	Would be great to have 'waste' bags available 90% of people are good and bring their own but if you forget or your dog goes more frequently in one visible place it would be good to have them available so people don't just think oh well and leave the mess	4/11/2017 6 20 AM
261	Clear signage explaining which park is which A sign on each gate saying "SMALL AND ELDERLY DOGS" "LARGER DOGS" A simple solution	4/11/2017 4 31 AM
262	additional bin as it is often overflowing car park is poor and often muddy	4/11/2017 4 28 AM

273	bins	4/9/2017 8 17 AM
274	More obvious signage that bars non desexed dogs from the off leash area as they tend to be more aggressive with the other dogs	4/9/2017 7 49 AM
275	Safe place for small dogs	4/8/2017 1 19 PM
276	Definitely need internal water access on both small and large dog sides currently we have set up a D Y hose system but it is inefficient and often breaks The Casey dog park gates need to be bolted shut which some people forget if we had self latching gates like yarralumla it would be safer	4/8/2017 12 28 PM
277	Some obstacles for the dogs to play on similar to the Forde Dog park	4/8/2017 4 14 AM
278	No	4/8/2017 3 35 AM
279	A water fountain in the enclosure would be beneficial Leaving the enclosure to fill visitor brought containers isn't ideal for safety love the lights at night time but one down the bottom of the park as well would be great	4/7/2017 6 30 AM
280	Good lighting Two water fountains instead of one	4/7/2017 2 28 AM
281	Water facilities inside yard there is only one outside the yard Makes it hard for people who have more than one dog especially	4/7/2017 1 32 AM
282	More activities for dogs jumps tunnels Make water bowl bigger even big enough for dogs to paddle	4/6/2017 1 34 PM
283	A few more activity stations for dogs	4/6/2017 11 50 AM
284	There is plenty of open space for the dogs to run but nothing to help stimulate their minds An obstacle for the dogs to use eg tunnels ramps courses similar to agility courses would help improve their mind as well as their bodies	4/6/2017 9 34 AM
285	in adelaide poo bags are provided	4/6/2017 7 36 AM
286	Obstacles	4/6/2017 6 59 AM

291	Proper water supply inside park	4/5/2017 2 35 PM
292	1 Segregated enclosure for small/ old /timid dogs	4/5/2017 2 22 PM
293	It would be good to have two separate enclosures like at Casey so I can separate my dog from more aggressive ones	4/5/2017 1 53 PM
294	no toys/equipment for dogs to jump on (agility park?) no grass to lay on dogs come out of the park filthy and during hot days the dirt is too hot to play on little to no seating for humans and very little shade it is VERY hot especially during summer	4/5/2017 1 42 PM
295	Perhaps an obstacle course or other things that dogs can play with/do	4/5/2017 1 06 PM
296	As above	4/5/2017 12 58 PM
297	Grass	4/5/2017 12 52 PM
298	Water play/swim area	4/5/2017 12 41 PM
299	Grass	4/5/2017 12 39 PM
300	Doggy poo bags and leaning rails It's not always safe to sit at dog park as some dogs jump up on you Also some sort of wind and rain shelter would be good because dogs like to exercise no matter the weather	4/5/2017 9 07 AM
301	It would be great if some lights could be added for night visits and it would also be nice to have some sort of obstacles for the dogs to jump or play on	4/5/2017 8 54 AM

1	1 Please could you place notices on the gates of dog parks to remind owners that dogs should be placed on a lead before they leave the park? At Yarralumla the reserve at Orana Bay has become an extension of the off lease park because owners take their dogs across the park for a swim leaving them off leash to run anywhere they like including on the bike path 2 The car park at the Yarralumla Dog Park is not large enough to accommodate the cars of users at weekends The cars spill over onto the Brown Street reserve Please could you place a vehicle barrier on the western edge of the Brown Street reserve (along Banks Street) between Brown Street and the gate of Weston Park to prevent this reserve becoming a dust bowl similar to the car park outside the dog park?	5/21/2017 10 57 AM
2	used to frequently go to the Forde Dog Park with my doggy However stopped going when my friend's dog got fleas from being there This happened twice to in about 12 months am too scared to go there now would love for you to spray for any fleas and announce it to the public when it was completed so that could confidently return and use the dog parks Many thanks	5/21/2017 8 30 AM
3	Hopefully comments are still considered despite being 1 day outside of closing deadline	5/20/2017 7 54 AM
4	Give rotary money & they will do this at a fraction of cost of contractors & them money would be reused by them for charity events Really cheap to put in dog play things you don't need so much money unless it's for safe access concreting etc	5/20/2017 1 36 AM
5	We love the dog park Just wish some people would exercise their judgement of their dog's temperament more have encountered some nasty dogs & oblivious/nasty owners	5/19/2017 12 35 PM
6	The concept and implementation are excellent There were no enclosed off leash areas when last had a dog a few years ago and think these dual area parks are wonderful	5/19/2017 6 23 AM
7	There was not a sign posted at the O'Connor dog park regarding this survey only saw it at Belconnen	5/18/2017 7 32 PM
8	Please spell parts of the parks or create a duplicate to allow vegetation to recover and aid in erosion management and water infiltration	5/18/2017 4 01 PM
9	Thank you for such a beautiful dog park and for seeking our views to improve it	5/18/2017 7 34 AM
10	Thanks for requesting feedback I've spoken to lots of people using the dog parks and they're keen to give feedback For some like myself we spend 30mins per day/5 days a week in dog parks and improving them would not go unappreciated I've also become aware of quite a few 'community dog groups' where a number of dog owners meet at local ovals to socialise and exercise their dogs Sometimes this is due to convenience for locals but quite often it's because the dog parks aren't as good as they could be This can put unnecessary strain on other community members also wanting to use the ovals (last week a couple of dog owners got abused by a man running laps of a park in Macquarie) but also can be harmful in these large groups where rules are by gentleman's agreement and not often enforced If the dog parks are improved it will benefit not just dog owners	5/17/2017 12 36 PM
11	I have a great dane for large and older dogs soft ground is imperative to look after their joints the ground is horribly bumpy and bare in areas	5/17/2017 2 49 AM
12	Been once to the dog park in Forde Too far to regularly walk Harrison fields are much closer but don't include any bins for disposing waste Unfortunately the fields are only lit while being used by soccer groups As such there isn't any opportunity to let dogs play in the evenings during winter	5/16/2017 11 50 AM
13	Maybe add some doggy bag dispenser bins to encourage owners to pick up after their dogs often in the scrub you end up stepping in other dogs poo	5/16/2017 10 55 AM
14	Only have late evenings to take dogs out so absence of lighting at Casey dog park means we can't use it	5/16/2017 4 11 AM
15	It really is a great big space but is becoming very dusty these days Occasional monitoring by rangers would also be useful to educate some dog owners on how to be a little more responsible during their visits Alternatively maybe some educational boards placed around the park showing owners what a happy/relaxed dog looks like versus an unhappy/ cranky dog This may help to encourage some dog owners to leave the park before he/she usually escalates into a dog fight	5/16/2017 3 51 AM
16	We just need a tap and a trough for the dogs to drink out of The bubbler is almost completely broken and we need a new better system put in place	5/16/2017 3 23 AM

17	Grass maintenance regular mowing to keep it from getting too long irrigation during dry spells to encourage growth A poo bag dispenser near the bins so that lazy owners are more likely to pick up after their dogs We also use the Yarralumla dog park installing a hinged water bowl at the other end of the park would be useful as well as replacing the current one with a hinged bowl (similar to the one in Tuggeranong) would be great it gets dirty very quickly and can't be emptied or cleaned easily Summer irrigation would be good here as well	5/16/2017 3 21 AM
18	Don't put in more seating please Other than the obvious making owners walk more it discourages dogs from becoming territorial where their owners sit all the time encourage a small amount of seating for those that need it though	5/16/2017 2 48 AM
19	Nothing just want lights	5/16/2017 2 23 AM
20	The dog park is a great addition to our lives here in Canberra and we are very happy you all are showing an interest in their upkeep and improvement	5/16/2017 1 43 AM
21	There are a lot better of people that bring unsocialised dogs to our dog park my dogs have been bitten and growled at and I've witnessed kids been pushed to the ground	5/16/2017 1 36 AM
22	I prefer to walk around the lakes and would love to see bags available for tourists or unprepared walker with dogs so that the poop is picked up then and there To be honest I am a bit nervous about mingling with lots of dogs	5/16/2017 1 22 AM
23	Overall I think the dog park is good There is a weed with some sticky seeds on it that needs to be removed also think if working bees were organised owners would be happy to contribute to some caretaking maintenance if rakes and shovels supplied	5/16/2017 1 09 AM
24	Our main concern is the muddy area that hangs around after rain and for many months during winter The dogs roll in this and for us in particular we have to stay away during the wet times	5/16/2017 12 57 AM
25	Rangers to patrol more often Some owners don't have control of their dog & I no longer feel safe	5/15/2017 11 34 PM
26	Weather protection Time out space for dogs Lights Water Toilets	5/15/2017 11 10 PM
27	Really appreciate the dog parks	5/15/2017 4 20 PM
28	Thank you for allowing the public to give feedback I appreciate it	5/15/2017 4 17 PM
29	People tend to stay at the end of the park near the water bowl unfortunately this end has minimal shade and grass which makes the park feel very barren even though there is shade and grass at the other end of the park	5/15/2017 3 38 PM
30	I do go to all the parks in Canberra once a week every week and they mostly lack shade and seating The Casey Yarralumla and O'Connor parks defiantly lack in the toilet facilities as they either don't exist or are very far away and I have found that a lot of the older people suffer as I have witnessed Thank you)	5/15/2017 3 24 PM
31	I tend not to use dog parks because people fail to supervise their dogs so there needs to be better owner education You cannot just go into an enclosed area let your dog off lead and not pay attention	5/15/2017 2 41 PM
32	West Belconnen dog park would be great	5/15/2017 2 40 PM
33	I also use Yarralumla dog park features and recommendations same as Tuggeranong Would love a dog park in Woden	5/15/2017 2 36 PM
34	O'Connor dog park is lovely but it needs more shade for summer Also there are lots of mushrooms/toadstools that grow there after rain	5/15/2017 2 31 PM
35	I would like to see an extension of the Yarralumla dog park so that it takes in part of the shoreline at Weston Park This would allow more ball retrieving and swimming exercise for dogs on hot days Possible areas away from picnic spots are the shoreline near the S EV memorial or just to the left of Orana Bay	5/15/2017 2 05 PM
36	GET SIGNS ON ALL SIDES OF THE GATES TO KEEP GATE CLOSED AT ALL TIMES	5/15/2017 11 37 AM
37	It would be great if the vandalised benches could be fixed I understand this is under investigation though The dogs get quite dirty at the Forde dog park as it is all dirt is there any way the ground could be grassed instead? Other than that I don't have any other feedback it is a shame the park isn't bigger as larger dogs (like our greyhound) need a lot more running space but we are grateful to have a park at all	5/15/2017 8 19 AM
38	We visit multiple dog parks and it would have been good if this survey allowed comments about multiple dog parks not just the one we visit the most	5/15/2017 8 06 AM
39	Would love for there to be a way to report people who do the wrong thing bring aggressive dogs in bring badly behaved dogs don't watch their dogs don't pick up poo	5/15/2017 7 48 AM
40	I think a focus needs to be on the elderly or those with mobility and the ability for them to access the park It is an important aspect of keeping community and avoiding isolation but the Small dog park and area is difficult for elderly to manage I have seen older people fall often on the uneven terrain The small park seems like an after thought	5/15/2017 6 04 AM

41	As said previously Casey dog park is great but the biggest thing for me is the surface if you could replicate the dog park and then rotate which ones are open to allow the surface to recover and rejuvenation Thank you for allowing residents to provide feedback	5/15/2017 5 11 AM
42	They are a great space to meet people and dogs Planning better seating improved surface areas and more than one water station would be good	5/15/2017 2 33 AM
43	We walk our dog on lead on our hill (Mt Goodwin Macgregor) but lots of people treat this as an Off Lead area Our dog was accosted by an off lead dog the other day the owner nowhere visible When we called out "Come and control your dog" she came into sight and berated us for having a vicious dog that should be muzzled then followed with profanities WE were obeying the law She wasn't PLEASE can we have signage to state the area is not "off lead" and the occasional officer here to enforce it? Thank you	5/15/2017 2 04 AM
44	Car park needs to be paved but understand that needs to come from another budget please consider this	5/15/2017 12 09 AM
45	So cheap & easy to put improvements in Elderly need more seating too Most of greenway is underutilised Need to be able to use all the park but that comes down to maintenance & more shade	5/14/2017 2 38 PM
46	Similar issues with water drainage at O'Connor park Also there is no access to water inside the park at Casey dog park only outside Very inconvenient	5/14/2017 2 15 PM
47	I'm am concerned about two things Firstly how easily young children open the double gates and let dogs out near the very busy highway secondly the benches as dogs get their paws stuck in the rungs and are seriously injured	5/14/2017 2 15 PM
48	We do not go to the dog parks because people are rude and flaunt the rules There is nobody there to police the rules and there are dog fights and injuries Just last week a 'qualified' dog walker turned up to the dog park with FIVE dogs in her 'control' and took a small dog in to the large dog enclosure People do not clean up the dog poo that their dogs do and they think this is ok	5/14/2017 2 06 PM
49	Have gone to other dog parks that are closer (eg forde Casey) but the facilities are not good very dusty and Casey doesn't have water access inside park These would be good improvements for the area	5/14/2017 1 40 PM
50	Sam who is a small terrier loves the big dog area but we are careful about going there as some large dogs are not very well controlled	5/14/2017 12 49 PM
51	Alternative ground coverage would be beneficial doesn't have to be all grass but something to stop the large amounts of dust being kicked up would be beneficial	5/14/2017 12 22 PM
52	More bins poo bags	5/14/2017 11 52 AM
53	Just returned from a trip to Brisbane where visited three different dog parks around the Ferny Hills area All of them were in great condition i.e plenty of benches to sit on agility equipment free biodegradable bags large car parking areas which weren't dust bowls	5/14/2017 11 00 AM
54	Would love a dog park in Nicholls as Casey can get very crowded so we don't go in Overall it's a great initiative and thankful we have a secure place to take our dog	5/14/2017 8 55 AM
55	Can't take my dog to a dog park as too many people can't/won't control their aggressive dogs This is so important for peace of mind for all dog owners who would like to give their dogs an opportunity to socialise them	5/14/2017 8 25 AM
56	Crace has a lot of dogs that are unable to interact with each other This causes a lot of protective pooches on the daily walk and daily barking between homes think it's difficult having your dog be comfortable around other dogs if they are unable to play and run around with each other Driving to a dog park is just redundant as the dogs are in a dust bowl in a different/new environment that makes them become skittish with new dogs at each visit think there should be more enclosed off lead dog parks in Canberra especially in suburban areas	5/14/2017 4 52 AM
57	Too many issues with owners and dogs owners not paying attention not understanding unruly dog behaviour not stepping in and/or being abusive also have a dog that is reactive (fear aggressive) have NO opportunity to let her offlead for a game of ball or a play with her few friends anywhere in Canberra Friendly dogs have every opportunity every day to stretch their legs Many people in this situation therefore take their dogs to dog parks or let them run in the suburbs causing many many issues We need places where dogs are able to have a run individually maybe a small adjacent area to the dog park with a 5-10 minute allowance per dog (if someone else waiting) separate entry and exit and not where they will run into other dogs as entering/exiting This is critical There are more and more dogs whose owners cannot (or should not) let them off lead but they have no other choice	5/14/2017 4 26 AM
58	perhaps provide contact numbers for DAS and the like on the entry signs if something goes wrong	5/14/2017 3 29 AM
59	Please put in new grass	5/14/2017 3 22 AM
60	Like to see improvements soon	5/14/2017 3 11 AM
61	There isn't anyone's near by have been to a dog park once or maybe twice but it's far to travel and the one on this side of town isn't very nice either	5/14/2017 3 01 AM

62	don't go to dog park because of the aggressive dogs that are taken there by their owners would rather walk my dogs in my local suburb	5/14/2017 2:58 AM
63	think investing in dog parks is great infrastructure move for Canberra Almost all Canberrans have a furry friend who is apart of their family and having spaces for owners to take their dogs for exercise plus the socialisation for the dogs is an enjoyable experience Also great for owners to meet new people and make new friends	5/14/2017 2:50 AM
64	We really need larger dog parks the size of an oval and maintained Also poo bag dispensers like Sydney	5/14/2017 2:46 AM
65	The dust bowl in summer and mud puddle in wet weather makes the dog park unusable or unpleasant Most parks are heavily compacted and heratic from the dogs and people prevents any grass cover growing used to regularly visit the Forde dog park The big chunky tan Bark used to cover the ground there that REALLY doesn't work The dogs walk across it gingerly it appear to bruise their feet Long haired and wire haired dogs have the bark stuck all through their fur that sticks to the tennis balls and gets stuck in the dogs mouths it's a bad idea Perhaps a reseeding or turfing program could be implemented in the bigger parks Fence off a section and establish the grass open it to dogs and fence off another section and establish grass there A bit of a crop rotation program Or is there a finer softer mulch that could be trialled? Not sure	5/14/2017 2:28 AM
66	used to love going to the dog park but the lack of maintenance and dog poo everywhere (especially as I have a Lab that will eat dog poo) had made it a really rare outing for us which is a real pity as it is a great way to socialise and exercise dogs (especially if you have an active breed and not so active breed as they can go at their own pace)	5/13/2017 3:19 PM
67	The ACT govt should look to the dog park designs adopted by the Brisbane city council All the parks have activities in them for the dogs to use & play on Also need more dog parks in Canberra	5/13/2017 8:08 AM
68	understand the bin is outside the enclosure for ease of cleaning but we have to pick up after the dog and go through two gates to dispose the feces which is a little bit inconvenient	5/13/2017 4:11 AM
69	Needs to be a dog park for the people and dogs further south so the closest dog park isn't over 20mins away	5/13/2017 2:41 AM
70	I've tried a couple of dog parks One of my dogs is happy in them but only if there are other dogs there The other finds them overwhelming and does not enjoy them think they're very limited and small I have kelpies which is a breed that needs to run like to exercise with my dogs rather than stand around and would like to see more extensive offlead areas in the ACT rather than further investment in dog parks Things have become very restricted and tightly clenched in the ACT Because of this probably won't own dogs in the future while living in the ACT	5/13/2017 2:06 AM
71	I have an old dog he loves the dog park but he also loves his privacy The size of the big dog park gives him the chance to be alone and then with other dogs when he chooses	5/13/2017 1:43 AM
72	Thanks for opportunity to comment Hope gov takes these seriously and repairs and maintains this park	5/12/2017 2:09 AM
73	Long grasses around fences need to be cut regularly snakes can hide in them	5/11/2017 3:11 PM
74	Thanks for providing the dog parks it's great to have somewhere safe for the dogs to run sniff and play if they want to feel that I am part of a community of like minded souls	5/11/2017 3:08 PM
75	install more lights (especially in the big dog park) to allow people to stay longer during winter days	5/11/2017 2:29 PM
76	Thank you so much for providing dog parks They are important to me	5/11/2017 4:26 AM
77	Could it not be made a lot bigger using some more of the surrounding land ?	5/10/2017 5:56 PM
78	ground surface needs to be something softer like sand and rubber surfacing like in children's playgrounds After rain the current surface is too muddy and slippery	5/10/2017 1:26 PM
79	No	5/10/2017 10:30 AM
80	don't visit the dog parks because the ones I have visited in Forde and Casey were mostly dirt I have two fluffy dogs and they just got too dirty gave up even though I think the parks are an excellent idea	5/10/2017 4:54 AM
81	Would liked to have commented on other dog parks use	5/9/2017 7:16 PM
82)	5/9/2017 8:01 AM
83	Would be great to have a park in Franklin D	5/9/2017 7:44 AM
84	Access into the parking area is awkward due to unnecessary gate not sufficient parking condition of road is extremely poor Need to use grater to smooth area chip seal or paving would be appreciated	5/9/2017 3:35 AM
85	The closest park is too difficult and dangerous for me to visit I am a wheelchair user and there is no footpath no pedestrian crossing no safe access at all for me to take my dog to the O'Connor Dog park	5/9/2017 3:29 AM

86	Not sure if there are rules around bringing small children into the large dog area so many times see toddlers in there getting bowled over by large excited dogs that are running around and playing together and the parents have the audacity to complain about it because the dogs ran into them	5/9/2017 3 20 AM
87	s a great city feature so well done	5/9/2017 2 47 AM
88	The car park for the proposed Duffy park should be in Eucanbeen Drive not Warragamba Ave (At the old Forestry research station) at the old site Car Park	5/8/2017 10 37 AM
89	don't have any favourite features of the parks People don't watch their dogs when they are there and dig fights always happen purely take my dogs on the parks a quiet times so they have a little freedom un or unafraidly here is no where for them to swim in an enclosed area	5/8/2017 6 43 AM
90	Overall appreciate having the facility	5/8/2017 6 01 AM
91	Overall pretty good dog park just some small maintenance on grounds and a couple more bins and it would be a big improvement	5/8/2017 4 53 AM
92	The occasional visit by a ranger would be great to focus peoples' minds on their responsibilities to look after their dog (ensure good behaviour pick up poo etc)	5/8/2017 4 01 AM
93	Dog parks impinge on neighbours extra traffic and barking Can be unfair on residents Consultation should take place Can turn quiet streets into busy streets as at Yarralumna	5/8/2017 1 58 AM
94	1 Its a dilemma encourage people to chat is good for positive attitudes but bad because those people chatting don't pay attention to their dog and what it is doing 2 Something about the Fairfax St dog park is unfriendly its just too steep and faces directly to sun We don't go there even though it is the closest to where we live The Belconnen park needs to be extended and made longer its a bit small (and has no grass though it started off pretty)	5/7/2017 2 09 PM
95	think we are fortunate to have the dog parks especially as they cater to small and large dogs Generally 'm satisfied but it would be great to have the suggestions 've made taken up	5/7/2017 6 01 AM
96	Lighting for evening use would be fantastic	5/7/2017 5 59 AM
97	Signage about cleaning up after your dog would be a good reminder for some	5/7/2017 1 55 AM
98	Would be nice if there was some way to report aggressive dogs and ones with inappropriate behaviours would pay for a membership to a park that screened dogs and people would be more likely to pick up poo and look after it	5/7/2017 1 08 AM
99	1 The car parking at Tuggeranong is pretty poor There are more car parks for cars that can go over rough ground though often park at Mimi's pit spot and walk to the park but now the learn to ride is there there are less car parks available 2 Sometimes it's a bit too muddy there are big areas of just dirt 3 Is there plans to put a dog park further south? (Please) 4 I would have loved a third smaller park for puppies of med large breeds For several months mine was too big & rough for the small park but too small & puppish for the big park which was hard when you want to socialize them see others with the same dilemma (completely understand you can't have everything but 'm just putting it out there anyway)	5/6/2017 2 36 PM
100	We do not use Forde Dog Park as it is a dust bowl and very uninviting It needs more grass and ongoing maintenance	5/6/2017 11 33 AM
101	More lights would greatly increase the usage of the dog parks especially over the colder months	5/6/2017 10 21 AM
102	Previously visited dogparks and would have liked opportunity to explain why we've ceased to do so	5/6/2017 6 34 AM
103	don't visit the dog parks because have two rescue dogs one American Staffordshire/Bull Arab and an American Pitbull It would be too stressful for them to visit a busy park and it would be dangerous for other dogs if they became stressed However it seems very sad that these two lovely creatures who are victims of their previous living arrangements can never have time off lead except in our backyard What if there were timers installed on one or two dog parks where owners of RSPCA rescued dogs could book say a 15 minute slot be given a code enter the code and have sole access Very early or very late would be fine so as not to inconvenience regular users This would promote adoption and give rescued dogs a taste of freedom they're otherwise denied	5/6/2017 3 55 AM
104	N/A	5/6/2017 3 51 AM
105	Love them Thankyou More would be great)	5/6/2017 3 39 AM
106	More parks on southside please e.g Kingston Foreshore Perhaps where the substation is being removed or adjacent to the entrance to Jerrabomberra wetlands	5/6/2017 2 01 AM
107	Large print clear rules of use would help Eg Dogs must be supervised Parks should only be used by registered dogs Access could be by scanning of microchips or dog tags This would mean if there are any issues with aggressive dogs it would be clear which dogs are in the park at the time	5/6/2017 1 56 AM

108	Comments above can apply to Tuggeranong dog park which do not go to any more as people regularly don't respect the small dog space and as has more aggressive dogs and dog owners yarralumla small dog space people on the whole respect the sizing but not always particularly when is a ledge dog puppy which bowls over and stresses some little dogs even though means no harm	5/5/2017 8 04 PM
109	It is great to have the bike safety training park close by The area is starting to develop well A coffee shop or cafe would be great to have there	5/5/2017 2 40 PM
110	Comments also apply to O'Connor & Belconnen dog parks	5/5/2017 2 27 PM
111	The reason why I can't get excess to my oval in holder is that I had a very big dog jump on me when I went for a walk a few years ago I know that dogs are leash free but why can't the owners control their dog from jumping on people I thought the dog was going to attack me I ran towards me from 150 meters away and jumped on me I wish there was a time limit that dogs are allowed on the oval This is disgusting especially when as a single parent who do have a son with disability saw it happen and too afraid to go for a walk at the oval	5/5/2017 2 24 PM
112	Thanks for the opportunity to comment	5/5/2017 2 20 PM
113	Bag dispenser would be helpful	5/5/2017 2 18 PM
114	They are dangerous and poorly run There needs to be more ranger supervision accredited dog trainers there or shut them down	5/5/2017 2 15 PM
115	Apart from this field you are not providing enough opportunity to give constructive feedback about the dog parks My feedback is there should be a maximum number of dogs allowed in the dog park at any given time No toys or other play items are permitted in the area to ensure resource guarding is not an issue No food I saw a park in NSW that had equipment in the area agility type of equipment and a sand pit Canberra parks could be upgraded to include these items	5/5/2017 2 04 PM
116	The most critical need is to install an underground pipe to carry liquid run off from golf course through park to beyond bike path towards Lake This is essential as the water attracts snakes in summer which is dangerous not only to dogs but especially to small children in a location that has a disproportionate number of international visitors to Canberra from nearby embassies etc	5/5/2017 1 14 PM
117	Still issues with owners who bring aggressive dogs	5/5/2017 12 18 PM
118	I don't visit the park anymore as my dog has been attacked too many times	5/5/2017 11 56 AM
119	Thanks for the dog parks they are good for dogs and nice for people too	5/5/2017 11 51 AM
120	It would be good to have some kind of sign in sheet to track park users in case of a reportable incident For public anonymity this could be as simple as your dog's rego number and approximate time of arrival	5/5/2017 11 45 AM
121	Would be good to provide feedback on more than one park We go to Yarralumla as often because it's better but Tuggeranong is the one I most wanted to give feedback on Thanks for the dog parks	5/5/2017 11 34 AM
122	So happy we have dog parks available and can use ovals off lead Great job I really wish they were all bigger	5/5/2017 11 19 AM
123	No	5/5/2017 11 18 AM
124	Can a dog park be established in the North party of Canberra as dog ownership seems to be significant based on the number of walkers I meet in the area	5/5/2017 10 37 AM
125	No	5/5/2017 10 06 AM
126	Waste of money	5/5/2017 9 31 AM
127	I don't visit dog parks as I find them really unsafe places for my dogs They are too small and many people utilizing them really don't supervise their dogs at all I believe they are unsafe places They need to be larger and people educated in their use Plus there is a need for many more to allow people in each suburb to access them close by to their places of abode One can only access the current ones if you have a car to transport your dogs	5/5/2017 9 29 AM
128	Shut all dog parks and prohibit people from having dogs in a suburban and urban environment It is cruel and stupid	5/5/2017 9 20 AM
129	Even though I don't take my dog and I don't know first hand I've heard from other people that they think the one in Forde isn't big enough	5/5/2017 9 10 AM
130	I think it's fantastic that the ACT provides these facilities the biggest let down is the people using the facilities not appreciating what they have and not treating the space respectfully	5/5/2017 9 02 AM
131	A dog park for residents living in the Kingston/Narrabundah area Yarralumla is a long way to go meaning most people allow their dogs off leash on suburban ovals rather than drive to the dog park etc	5/5/2017 8 50 AM

132	Really disappointed with other users who bring in several dogs let loose dogs off leash outside park on entry some of which are aggressive don't pick up their dog poops park on the grass think the usage needs to be spread out over the day & would like to see less use by people outside this zone if possible Some users come from other areas drawn by the niceness of this park & its users but it's leading to over use of this park So it's no longer local hope the new park near Woden Valley allows me another option because my dog has grown reactive from bad experiences in & around Weston Park but it's the most handy to me	5/5/2017 8 25 AM
133	Erosion might be asking a bit much but create two parks for bigger dogs lock one out for six+ months so the other can repair Doubt this would be required for small dog parks	5/5/2017 8 16 AM
134	don't go to the fenced dog parks because 'm not sure how my unsocialised dogs would cope But we do use the Point Hut off leash area	5/5/2017 8 13 AM
135	We need greater enforcement of laws requiring owners to adequately restrain their dogs so they don't stray into the path of vehicles (especially bicycles) or other people's backyards	5/5/2017 7 28 AM
136	While we also use the O'Connor dog park it is still a significant distance from us t'd be nice to have an area for the upper inner north and lower Gungahlin residents to use Perhaps something in or around Watson/EP C/Mitchell	5/5/2017 7 25 AM
137	Perhaps a pond or area for dogs to swim in or have a dip as the lake is not always usable with algae outbreaks snakes lack of shade etc	5/5/2017 7 09 AM
1	looking orward o he new dog park planned or Ginninderry	5/5/2017 5 15 AM
139	The car park is a good size but the surface is very rough	5/5/2017 4 45 AM
140	There should be at least twice as many dog parks in the ACT What about using the (fully fenced) grounds of some ACT schools after hours with passcode access (by strict application) and CCTV monitoring?	5/5/2017 4 28 AM
141	Looking forward to when the dog park in Duffy gets built Much closer for us	5/5/2017 4 20 AM
142	Canberra isn't remotely as dog friendly as other cities including Sydney and Brisbane Even though it claims to be More unfenced dog parks are needed and the fenced dog parks need to be better maintained	5/5/2017 3 53 AM
143	walk my dogs daily at Reid Oval know this is a mixed use park but safety would be GREATLY improved if the fencing along Limestone Ave could be mad enough contiguous along its entire length Currently only some of the fence will prevent dogs from accessing Limestone Ave but it would be great if that were the case for the whole length	5/5/2017 3 41 AM
144	mow it as regularly as the bloody verge tell the cyclists to stay away they take up enough of the ACT resources and don't pay rego and microchip	5/5/2017 2 43 AM
145	The new park in Duffy will need kangaroo proof fencing as the local kangaroos like to graze in that area in the late evening / early morning	5/5/2017 1 05 AM
146	off lead area into lake fenced off so dogs playing in the lake don't interfere with families having BBQs and kids playing in the kids play ground	5/4/2017 2 07 PM
147	a good size enclosure but can be dangerous when walking around if not paying attention	5/4/2017 12 41 PM
148	Mowing frequency was good over summer This park has good shade but the increasing loss of trees is a concern There would seem to be the opportunity to use additional space at the end of the park for extra runs to allow parts to be rested These areas don't seem to have much other public use	5/4/2017 12 39 PM
149	Diddams Close Dog Park is Great could we have a Dog Sandpit Woof Woof? Thankyou	5/4/2017 7 34 AM
150	A great facility	5/4/2017 7 26 AM
151	Come on CBR we can do better the water bowl at the park has been provided by a dog owner	5/4/2017 4 12 AM
152	We need a dog park in Weston Creek can we get an update on the dog park in Duffy in the next newsletter?	5/3/2017 1 59 PM
153	Thank you for providing such a lovely facility in Yarralumla And also thank you for considering more dog parks around Canberra	5/3/2017 11 50 AM
154	don't go on weekends as too many people just go to stand and talk without paying attention to their dogs which can cause some problems They also throw balls which can create havoc at times	5/3/2017 9 49 AM
155	would love to see another dog park provided in the Lanyon area	5/3/2017 9 45 AM
156	No	5/3/2017 9 42 AM
157	Unfortunately it is often stressful due to some owners bringing aggressive/dominant dogs and letting loose without adequate control and supervision 'm surprised there are not more injured dogs or owners after breaking up fights	5/3/2017 9 19 AM

158	do not visit any dog parks because there are none within reasonable walking distance the closest would take me at least 45 minutes to reach 'm extremely dissatisfied with this survey as it doesn't examine more closely the reasons why don't use the parks and ask me what would like to see done for dogowners who don't use the parks	5/3/2017 8 49 AM
159	Water play area at the drinking fountains for dogs	5/3/2017 7 55 AM
160	O'Connor dog park road also needs to be graded smooth more often	5/3/2017 5 27 AM
161	want to give you details on what infrastructure is required nfastructure that is low maintenance and low cost	5/3/2017 2 13 AM
162	we need more dog parks across the city not bigger parks Bigger parks would mean more dogs in one area and this could lead to problems	5/3/2017 2 02 AM
163	Have a look at the SA dog parks they are excellent	5/2/2017 4 36 PM
164	t would also be great if there was a separate entrance for the small dogs On of ours is intimidated by the large dogs The other small one tends to be that laid back that he is attacked by other dogs	5/2/2017 1 44 PM
165	We would really love to see a medium dog section West highland terriers are too small for beagles but German Shepard are way too big	5/2/2017 12 45 PM
166	Belconnen could do with another dog park in the Dunlop / Holt area	5/2/2017 11 43 AM
167	Sometimes there are too many dogs or dogs with 'special needs' (new rescue dogs for example) who need more space Having a few extra fenced yards where we could space out or seperate dogs who aren't the best of friends (or owners who aren't the best of friends) would be nice	5/2/2017 10 52 AM
168	Great places Often visit Belconnen Dog park and has same problem with water bowl too small for number of dogs in peak times as well as water comes out at a dribble rather than too much force as in other park	5/2/2017 10 06 AM
169	Closing the parks for maintenance could be done in a more timely manner especially for small holes in the fence or adding more wood chips (which doesn't seem necessary) Also why can't give feedback on more than 1 dog park if visit 5 semi regularly	5/2/2017 6 09 AM
170	Yarralumla dog park is generally excellent and a wonderful resource for dog owners	5/2/2017 2 40 AM
171	nformation about dog behaviour needs to be displayed e g chart of pictures showing different tail positions/body language of dog Alot of dog fights could be avoided if people learnt dog behaviour	5/1/2017 4 18 PM
172	nner North Dog park is the best as it is covered in bark and has grass with water and bins easily accessible inside Yarralumla is 2nd best but there is a lot of poo left by dog owners Belconnen needs some shade over the seats as there are few large trees Forde is too small and the dogs get into fights we have stopped going which is a shame as it has agility equipment	5/1/2017 3 32 PM
173	There are not enough water fountains for both humans and dogs along the paths of Forde All water dispensers should be equipped with low level water dispensers similar to the water dispenser at Yarralumla dog park but around the whole suburb Forde dog park is not a park it is terrible	5/1/2017 1 50 PM
174	They are fantastic for both dogs and owners Thank you for offering us the opportunity to respond	5/1/2017 1 30 PM
175	Very unkept	5/1/2017 1 08 PM
176	Fence and gates have a lot of sharp wire twists which can injure dogs when they greet on entry and exit	5/1/2017 1 03 PM
177	Dog parks are a great facility	5/1/2017 12 25 PM
178	We would like to visit but our dog is now too old (17 5 years) and can't rough and tumble hope the visit to Forde dog park on the 9th of April showed the park is in need of some repairs There is no useful seating as it's all broken these all have been broken for some time There is a large dead tree in the middle of the park This in itself does not have to be a problem you could turn it into an art work or integrate it better with the park (treehouse for the kids anyone?) There's a lack of shade a shade sail and drinking water for the humans would be much appreciated	5/1/2017 12 17 PM
179	This is one of the best dog parks in Canberra and with just a little bit more infrastructure will be fantastic	5/1/2017 11 17 AM

180	Dog owners are getting more irresponsible with their dogs namely picking up after their dogs and/or not controlling their dogs properly just because their dogs are smaller than my dog My dog was attacked a few years ago at the dog park by 2 staffies and their owners casually walked over while my husband(wasn't there) had to control our dog as well as trying not to get bitten in the process of Separating the other dogs We didn't file any complaints as we didn't realize my dog was injured from the attack until he got home as he only checked our dog's body After that have a phobia of going into a dog park and not being able to control my dog while fending off the attack Last time poo bags were provided but it stopped after a while Will these be provided again especially for owners who forgets to bring a poo bag or is out of poo bags to pick up after their dogs Any assistance is etiquette especially when the owners are chatting away and didn't see their dogs doing number 2 How can you let them know to pick it up without offending the owners?	5/1/2017 10 00 AM
181	Dog park should replicate a natural settings in which dogs have opportunity of leaping over logs climbing on rocks going under logs There's a variety of different sensations you're giving them rather than just a flat grass park with nothing in it like in O'Coonor	5/1/2017 9 35 AM
182	none	5/1/2017 9 25 AM
183	Your ad for the dog park says it all children unsupervised in the dog park is an accident waiting to happen Many times the parents are talking and not supervising their dogs little only the children	5/1/2017 8 44 AM
184	stopped taking my dog to the Forde dog park in approximately 2012 due to the poor upkeep There has never been any chip bark replaced The benches have been vandalised Quite disgraceful given the rates the Forde community pay	5/1/2017 8 27 AM
185	Option for a fenced pondage it doesn't need six foot fences just standard height i e Horse Park drive and Section 42 2	5/1/2017 8 14 AM
186	Please make the fences higher Most dogs could leap the existing fence in one bound	5/1/2017 7 57 AM
187	please fix it as the dog park isn't used as often as it should be as it is in such poor condition	5/1/2017 6 11 AM
188	The Dog Park and surrounding areas have in recent years declined in quality and maintenance These amenities underpin the value of a suburb and add to the stamp duty and rating base for general rates land tax and the local economy 'm really glad the ACT Government has come to the party with this additional funding it will hopefully restore some of the use and quality of the park and get the community using it again t was a great community facility which can easily be refreshed for all to enjoy again	5/1/2017 6 04 AM
189	Some signage or occasional monitoring/surveillance of the parks as on occasion there has been 1 or 2 people who have brought their aggressive dog down to the park and almost encourage them to 'go' at other dogs which ruins the fun and experience for other dog owners Some dogs have even been attacked	5/1/2017 5 29 AM
190	The ground surfaces (gravel/erosion) are so bad at the moment that after taking our dogs for a run at the dog park the last time they injured their paws (paw pads peeling off) if the ground hardness doesn't improve i don't see us taking them to the dog park anymore	5/1/2017 3 35 AM
191	Thank you for providing such a wonderful park for ne and my dog Sargent	4/28/2017 11 54 AM
192	Thanks for a great dog park in Belconnen We appreciate the ACT Government's efforts with the current park and your willingness to improve	4/28/2017 3 35 AM
193	We love the dog parks but choose Yaralumla over Belconnen because of shade and breeds of dog that use it	4/27/2017 3 23 PM
194	would like a dog park in the Woden area	4/27/2017 1 58 PM
195	Not quite the scope of this work but a fenced in area as a designated Dog beach would be great My dog loves to swim but also ends up running around near the rowing club carpark sometimes while swimming in the beach out the front	4/26/2017 2 43 PM
196	the reason for you rating in Q8 needs expanding	4/24/2017 11 02 AM
197	Maintenance maintenance maintenance	4/24/2017 8 42 AM
198	Our dog ke recently passed away He had such enjoyment at the dog park & was socialised early there discovered Canberra is a friendly place through the dog park with the many people who generously shared their dog/puppy knowledge and experience with us We will miss our dog greatly and the community we met at the dog park	4/24/2017 6 20 AM
199	Often during snake season there are a lot of fallen branches that aren't attended to which creates a significant risk of dogs startling hiding snakes	4/24/2017 2 47 AM

200	This survey makes it hard to provide the information actually want to give We use Yarralumla dog park mostly because Belconnen (Lake Gininderra) dog park is in appalling condition The ground surface is so worn that our dog is at risk of injuring her hips/legs running and slipping on the thick layer of dust that covers most of both the large and small dog enclosure The thick layer of dust combined with the erosion from rain (potholes and deep cracks) means our dog has slipped while running on a number of occasions each visit Also just to be clear we use the large dog enclosure only It wasn't possible to make that distinction clear on this survey This matters because at Yarralumla the small dog enclosure is in significantly better condition than the large dog enclosure Your 'results' from this survey are likely to be impacted by getting different results for the 'same' park because it wasn't possible to distinguish which part of the park we were responding about	4/23/2017 12:55 PM
201	All of our dog parks are excellent community assets Because of their physical constraints each dog park has its strengths and weaknesses Some parks are terrific for the dogs but are less attractive for adults and children Others are more attractive from the people perspective but boring for the dogs More seating and shelter provided for the people would mean we could allocate the majority of the space in the park to the purpose for which it is intended viz the dogs We all need to give our dogs the highest quality of life possible but we need to think of our own safety as well as that of the children	4/22/2017 7:00 AM
202	We love the park and applaud the government in considering improvements	4/21/2017 5:12 AM
203	really want a dog park in Woden	4/20/2017 10:38 AM
204	1 Do's and Don'ts signage needs to be directly adjacent to entry gates and in large font sizes that are easily read (current signage is too far from the gate and in small font size) 2 Do's and Don'ts signage needs to clearly communicate the responsibility of owners for their dog's behaviour and for cleaning up after their dog	4/20/2017 1:54 AM
205	West Belconnen needs a fenced off area for off leash dogs Off leash dogs are a problem in this area	4/19/2017 12:29 PM
206	Signs could be added around parks about dogs being on leads Some people seem to think it is ok to have their dog off lead prior to entering the park or just after the visiting the park This is dangerous around the car park and has on more than one occasion meant some dogs are harassed by uncontrolled dogs	4/19/2017 4:42 AM
207	Dog parks are great idea and I am appreciative of them	4/19/2017 4:04 AM
208	ongoing maintenance needs to be kept up in order for the dog parks not to fall into the broken shambles they are now	4/18/2017 2:37 AM
209	I appreciate the facilities we have The Yarralumla dog park is the best park in the ACT for size and the people that go there tend to have control of their dogs more than at other parks For this reason I am willing to travel there rather than go to a closer park A few small improvements would make a massive difference	4/17/2017 1:43 PM
210	Overall the park is well maintained Thank you Q13 is leading and somewhat pointless people are rarely dissatisfied with being given opportunities and those taking the time to get the address from the sign at the park and come here are inclined to be the type wanting to give feedback and therefore satisfied with the opportunity and if they're not inclined but felt they should because they love their dog they have no neutral option Seems like a question designed for someone to meet their KP's	4/14/2017 5:25 PM
211	Thank you for this great initiative The parks are a great resource One problem has been areas where water collects after rain our dogs love to play in the puddles and mud but its a nuisance for owners This has been fixed at Greenway in the last year or so by filling in the 'holes' with gravel which is greatly appreciated so thanks for that The water that lies around the water fountain continues to be a problem for this reason so a fix for this would be appreciated We sometimes also use Yarralumla which is a lovely park but a water course runs through the middle and after rain there is quite a lot of water and mud in the low lying areas solving this would greatly improve this park	4/14/2017 3:32 PM
212	it would be good to have more interesting features for the dogs the dog park in Yarralumla has pinecones shady parts variable landscape much more pleasant than Greenway Sydney dog parks even have some interesting activities for dogs	4/14/2017 12:39 PM
213	Thank you for the chance to comment	4/14/2017 1:59 AM
214	The surface is really bad My border collie tears the pads on his feet too often (4/13/2017 1:34 PM
215	It will be great that the renovation will take place to make for a much better experience for my dog to play especially during the winter and rainy season	4/13/2017 7:58 AM
216	The park appears to get plenty of use and the dogs generally seem to get on well It is also good for meeting other people with their dogs	4/13/2017 3:08 AM

217	The surface of the park has eroded much over the few years it has been open Some minor terancing might prevent the top soil being washed down hill which is exposing a lot of sharp rocks and rubble Some of the seating on the down hill is on its way to being buried by all the top soil There is Deadly Night Shade plants growing in the down hill part of the park A few of us frequent users have been pulling out plants when we find them but proper management of this would prevent an unlucky dog from eating the berries We love having this park and would be happy to help if community support is required to get things installed	4/12/2017 12 42 PM
218	My dogs and I enjoy going to the belco dog park each day We almost always have a good time I worry about small children coming into the large dog park when parents don't supervise them closely enough When my 50Kg dog is running around enjoying playtime with other dogs it seems unwise to let toddlers loose in the same area Perhaps the signage offering advice/warnings about that could be made more prominent	4/12/2017 10 12 AM
219	We are very lucky to have these parks	4/11/2017 11 45 PM
220	It's still a lovely park just need some life	4/11/2017 3 29 PM
221	Are dog parks a non smoking area? If so signage to indicate this would be good Would also like to see a no bicycles/scooters rule for the safety of the dogs (and riders)	4/11/2017 9 19 AM
222	Many small dog owners are elderly and need a warm place to sit in winter The tree roots can cause some problems for those with mobility issues	4/11/2017 4 31 AM
22	The gates are often broken needs new gates / caches	4/11/2017 4 2 AM
224	It gets really hot here in summer as it is all rocks and dirt My dog is not that steady footed so can't run around on this surface Not much else for them to do if they don't want to interact with the other dogs that are there or if the park is empty Unless I can get there during the day time in winter we pretty much can't go because we can't see anything	4/11/2017 2 54 AM
225	No	4/11/2017 1 57 AM
226	The fencing really is a problem at Forde I have stopped going there because I worry about my dogs getting out one of them has in the past and the road is quite close to the park It needs to be upgraded urgently A comment in regards to Casey dog park there is a large ant nest in the park that needs removing thank you	4/10/2017 8 28 AM
227	\$200 000 over six dog parks will not go near doing what is needed Soil erosion will have to be fixed Preferably sooner rather than later As I have suggested before a second dog park next to the current one with each closed for a growing season would work so long as the existing one was re seeded first	4/10/2017 8 05 AM
228	Dogs parks are a great thing	4/10/2017 6 03 AM
229	The enclosure is small and not maintained Seating is all broken and unable to be used	4/10/2017 2 22 AM
230	The surface is dusty and very rocky often unsafe for the dogs when they are running	4/9/2017 1 12 PM
231	Can the tap be replaced by one with a suitable bowl	4/8/2017 1 19 PM
232	Thanks for having great dog parks in Canberra it is so important to my family and helps us feel connected to the community And our dog loves running around off the lead in a safe environment	4/8/2017 12 28 PM
233	Yes take my dogs to Yarralumla as it is well looked after and a great dog park The Belconnen dog and O'Connor dog park are closer to me but they are terrible Both are filthy neither of them have shade and they are just had parks It would be great if the Belconnen and O'Connor parks could be brought up to the standard of Yarralumla	4/8/2017 4 14 AM
234	Thank you for the dog parks they are to be preserved dogs are pure	4/8/2017 3 35 AM
235	Larger areas so lots of dogs don't feel crowded ideally with a swimming area for dogs for the warmer months	4/8/2017 2 44 AM
236	Have been in past when we had two dogs but don't go anymore The parks in Belconnen and Tuggeranong were too dusty	4/7/2017 6 55 AM
237	Please patrol this area more regularly Especially during peak hours There are too many anti social dogs Brought to this park to create a safe environment Too many local people are forced to attend the park late at night or first thing in the morning to avoid people that aren't controlling their dogs	4/7/2017 6 30 AM
238	Thanks for the opportunity	4/7/2017 2 28 AM
239	Dog parks are a great community facility	4/7/2017 1 32 AM
240	There should be a no applicable racing or question order dog park doesn't have segregation or big & small dog	4/6/2017 2 1 AM
241	Take these comments into consideration when building the new dog park in duffy An empty park with no stimulus for dogs (jumps tunnels) is boring	4/6/2017 1 34 PM
242	Thanks for putting the resources in to providing our doggy community with better play environments	4/6/2017 12 54 PM

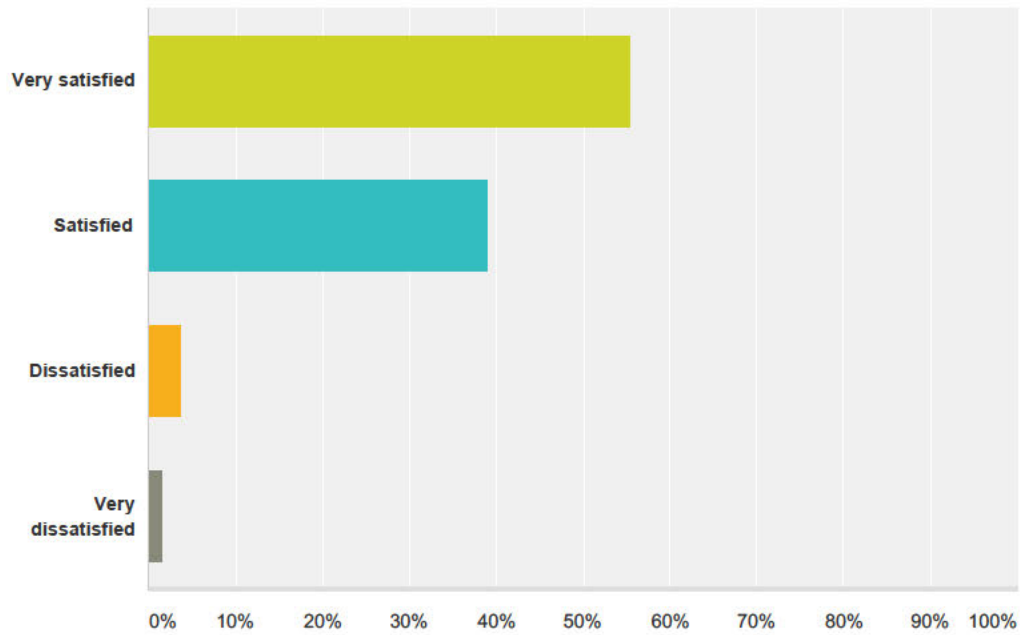

Improving your local dog park

116

243	Thank you for so much for the facilities for dog owners t is so lovely to have these dog parks in canberra With just a few small improvements they could be even more amazing	4/6/2017 11 50 AM
244	Love the parks Very important social activity for me and the dogs	4/6/2017 7 36 AM
245	Love the availability of dog parks More would be wonderful Looking forward to the opening of the proposed one in Weston Please add signs to warn about dog sizes and segregation Some people choose to ignore this	4/6/2017 1 48 AM
246	Forde dog park really needs a large square of paving around the water bowl to prevent mud build up Yarralumla needs something to be done about the drainage t's a mud bath after rain	4/6/2017 1 28 AM
247	Love the dog parks but it would be nice to have larger areas where you can walk around and the dogs can go off and explore and come back and find you For example more of the peninsula around Lake Ginninderra for a dog park where the dogs can swim and explore	4/6/2017 12 48 AM
248	visit Casey dog park every day and stay longer than an hour sometimes me and my dog are there for over two hours it's generally a really good park but it needs minor changes	4/5/2017 3 19 PM
249	Happy to live close to the dog park but dont use it due to poor repair and no area for small /timid dogs Some owners are arrogant and insensitive to small dog owners needs Could the enclosure be extended along the narrow strip of grass on Pooley St to provide a second enclosure?	4/5/2017 2 22 PM
250	Besides the upgrades needed to keep the park updated as it is quite popular in Casey as most backyards are quite small we enjoy using the park but with a little improvement it would be even better	4/5/2017 1 42 PM
251	Please fix Casey and Forde These two parks are closest to my house but wouldn't go there as they're quite abysmal Last time went to Casey the drinking water wasn't working and there was mould and gunk in the bubbler t also needs more grass Forde dog park needs the tambark replaced t's also too small	4/5/2017 1 06 PM
252	n general it is a good place Please build a dog park in nicholls as sometimes it get very crowded at casey	4/5/2017 12 41 PM
253	took my dogs to the Belconnen dog park when it first opened Many dogs were there it felt very crowded Afterwards both my dogs were sick with kennel cough only time they have had it in their lives That's why we haven't been again Now stick to walking under the power pylons in Watson	4/5/2017 9 08 AM
254	Better parking facility would also be good Ground is getting pretty corroded	4/5/2017 9 07 AM
255	Overall think the Yarralumla park is pretty good a few additions and it would be excellent	4/5/2017 8 54 AM

ADVISORY NOTE

Minister for Transport and City Services

Subject	Dog park improvements announcement
Critical Date	26/7/2017
Director-General/...../.....

Minister’s question/s:

Minister requested a media doorstep event for 9 am on Thursday 27 July 2017 to announce the improvements that will be rolled out at the ACT’s six dog parks.

Transport Canberra and City Services response:

A media doorstep event is planned for 9 am on Thursday 27 July 2017 at the O’Connor dog park located off Fairfax Street. A group of Transport Canberra and City Services staff and their pet dogs have been invited to the event. An Arrangements brief has been prepared at [Attachment A](#). Speaking notes have also been prepared at [Attachment D](#).

This event will be an opportunity to announce what improvements will be rolled out at the O’Connor, Belconnen, Tuggeranong, Yarralumla, Forde and Casey dog parks. The improvements will include:

- **Belconnen:** the two existing water stations will be repaired and improved, eight new shade trees and resurfacing of bare-ground areas.
- **Casey:** two new water stations and four mature trees to improve access to shade.
- **Forde:** a new perimeter fence, entry enclosure and vehicle access gate for more efficient maintenance. Parts of Forde’s dog exercise equipment will also be removed, based on the advice from dog behaviour specialists. Forde’s existing seating will be replaced with new seats.
- **Tuggeranong:** a new entry path will be constructed, which will include screen planting to reduce conflict between the small and large dog enclosures. Tuggeranong will also have two new water stations and 10 new trees to improve access to shade.
- **Yarralumla:** remediation of erosion, better fences and entry enclosure and two new water stations.
- **O’Connor:** 11 new trees to increase access to shade.

These improvements were identified following a consultation held in April and May 2017 and reflect the key concerns that the community identified. A summary of this consultation is provided in a previous brief (B17/152) which can be seen at [Attachment E](#).

In addition to the media doorstep event and associated media release, a social media package including video and social tiles has been prepared and can be seen at [Attachment F](#).

Minister's Office Feedback

UNCLASSIFIED

UNCLASSIFIED

Background

1. Canberra currently has enclosed dog parks in Forde, Casey, Belconnen, Tuggeranong, O'Conner and Yarralumla. The dog parks are now well established and have been in place for eight years. Over this time a number of management issues have arisen to do with maintenance, safety and amenity. Capital Upgrades (CUP) funding of \$200,000 (ex gst) was allocated in the 2016-17 financial year to investigate management issues, identify priority upgrade works and construct the improvements.

Investigation and Analysis

2. A design consultant was engaged to survey, investigate and analyse each dog park and prepare a report which set out the findings and identify priority work to improve each park. The investigation found fundamental infrastructure problems such as erosion, unsatisfactory fencing, unsatisfactory access to water for patrons and dogs and a general lack of shade and amenity.
3. The final scope of work (Attachment 2) has been informed by community consultation seeks to deliver improved amenity for both dogs and their owners and improve safety. The scope of work at each park resolves the majority of concerns raised by the community.

Issues

4. Feedback from some of the users of both the Casey and Belconnen parks requested that additional lighting be installed to enable safe use of the park at night. Lighting of the parks is not considered a standard practice and would involve significant work and is not achievable within the current budget.

Financial Implications

5. 2016-17 Capital Upgrade funding of \$200,000 was provided for the project. The project has expended \$39,244 at the end of June 2017 for the design and consultation phases and has \$160,756 rolled over into 2017-18 for the construction phase.

Consultation

6. Community consultation was held from 5 April to 19 May 2017 to inform the priority improvements. A total of 587 responses were received. This included online surveys completed as well as hard copy surveys completed at face to face sessions. The face to face sessions were held in April 2017, with one session at each of the six dog parks, over two days.
7. Consultation outcomes, resulting from the face to face conversations and the survey are summarized in the attached table (Attachment 1). The table provides a summary of comments received during consultation and in response; lists the proposed work that will be undertaken at each park.

Benefits/Sensitivities

8. The proposed works will improve the safety and amenity at each park for both dogs

Enclosed Dog Park Improvements Project 2016-17
Attachment 1- Consultation Summary and Response

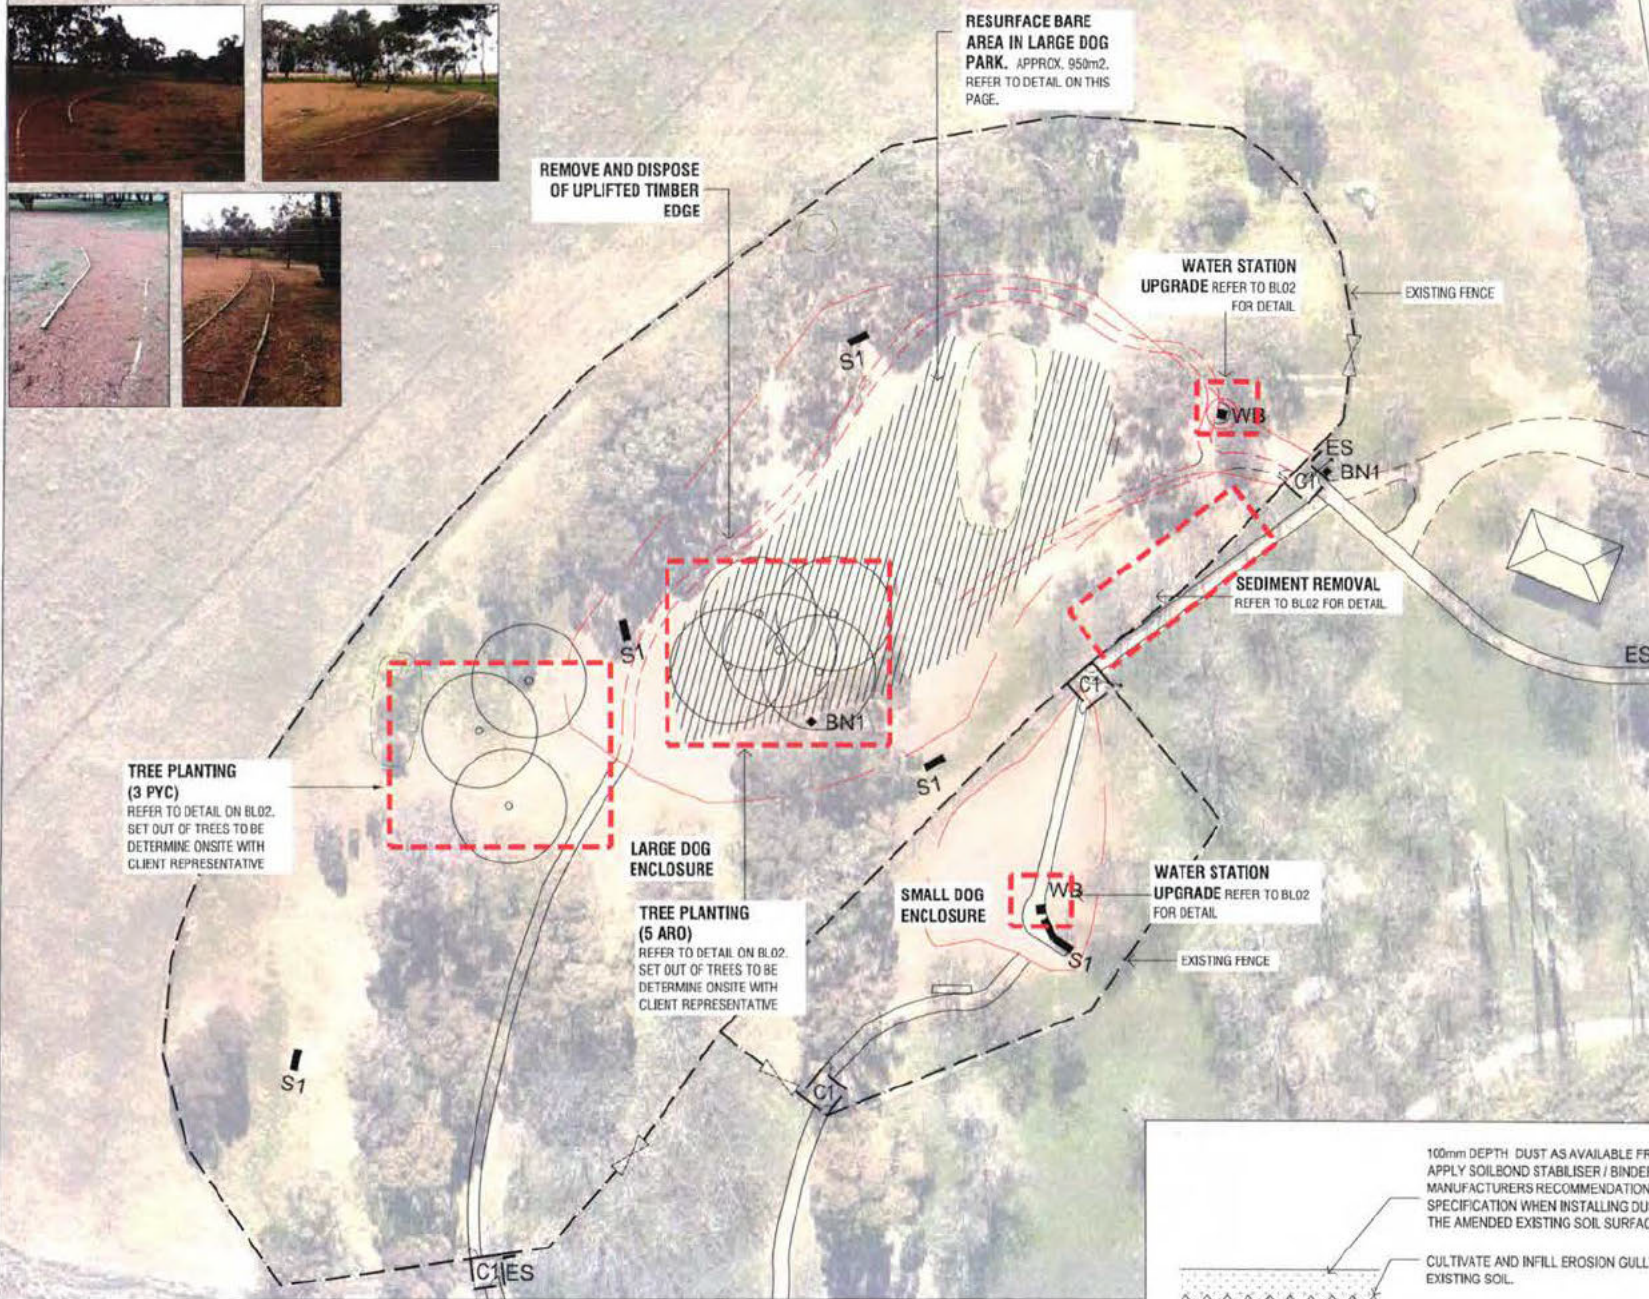

Location	Feedback from the Community	TCCs Response
Belconnen	1. Large bare surface in the centre of the large dog park, causing dust and mud.	Parts of the large areas of bare ground will be reinstated with stabilised crusher dust to minimise future degradation as part of current contracted works.
	2. Water bubbler and dog bowl faulty, causing ponding and hazards.	Two new water stations will be installed as part of the current contracted works. These will replace the existing water bubblers. And include new concrete surrounds
	3. Bin location needs to be moved away from the entry and bags to be provided.	<i>Bin relocation and dog bags were not considered as part of the improvements, as these relate directly to maintenance of the parks This is to be considered by TCCS Land Management Area as part of future maintenance works.</i>
	4. More shading to improve amenity.	Eight new trees will be plated to provide future shading and improve amenity. These trees are to be planted in the areas that are currently bare and heavily used by dogs and their companions.
	5. Trip hazards and sediment build up along entry path.	Identified minor trip hazards will be rectified as part of the current contracted works.
	6. Lighting provision to support night time use of the park.	<i>The current 2016-17 CUP Budget prohibited the opportunity to install additional lighting.</i>
	7. More dog play equipment	<i>Independent advice from a Dog Behaviour Specialist advised that 'Agility Equipment' was not essential nor required in optimising a dogs experience at the dog parks. Therefore no additional equipment has been included in the contracted works.</i>

Thank you for speaking with me earlier. As discussed there are a number of access issues in getting to the lights however I will ensure that the streetlight crew attempt to do this over the weekend. Recap of our conversation was that the flood lights and also the light on the streetlight pole were all out now.

If you have any further correspondence or wish to discuss this further, please don't hesitate to contact me.

Many thanks, Noreen

The following correspondence has been submitted via the Contact my Minister website.

The constituent has indicated that they would like a response to their correspondence.

Repeated Failure to Fix Street Light Problem

I have now contacted Fix My Street (FMS) on multiple occasions by both phone and email. They keep telling me that the issue is resolved. In summary, at the Tuggeranong Dog Park there is a street light and two flood lights - the street light and the flood light aimed towards the lake are both operational - the floodlight aimed "up the hill" towards Drakeford Drive has not worked since well before my initial report to FMS on 4 April 2017 and was reported (in writing) as STILL NOT WORKING on 23 December 2017 - that was nearly 9 MONTHS SINCE my initial report. As this is a PUBLIC SAFETY issue this is clearly not an acceptable response. Attached photo shows light clearly not working 10 March 2018, despite an email on 12 February telling me again that the matter was fixed. I suspect that the person reporting that it is "fixed" has done so from the carpark on Mortimer Lewis Circuit - from there it does appear that the lights are operational (you can see the streetlight quite well but not the east facing spotlight). Again, refer to my photo... As Daylight Saving is about to end, the need for this floodlight to be working is now urgent. Hoping this might achieve some action that your Department seems clearly unable to muster. [REDACTED] PS When Access Canberra was initially followed up by Phone I was told that this issue had gone "into the wrong queue" as the asset was "owned" by a different group. I thought the whole point of Access Canberra as a One-stop Shop was that there was no "wrong queue" and it shouldn't matter WHO the asset is owned by!

Hi MACS

Please close out CE1/165 from TRIM [REDACTED].

- TCCS Officer contacted [REDACTED] on 2 August 2018 and apologised for the timing to get back to him.
- TCCS Officer informed [REDACTED] that TCCS made two attempts to access the site but due to the steep slope, rain impacted on one day and sludge on the second day making it an unsafe site to access.
- TCCS Officer informed [REDACTED] that TCCS would attempt to repair the outage this weekend, noting that [REDACTED] informed that the flood light and streetlight on the same pole were out.
- TCCS Officer followed up with an email to [REDACTED] so he could have their contact details (attached).

Dear Minister

I write to you on behalf of [REDACTED] a resident of the Brindabella Electorate.

At a recent Mobile Office, [REDACTED] informed me that the Flood Lights in the Tuggeranong Dog Park have been broken for approximately two years. [REDACTED] reports having contacted your office and Access Canberra but is yet to receive a response. Additionally, the tap in the large dog and the small dog area is regularly out of order and leaves the dogs with no access to water.

Your review and response would be much appreciated.

Thanks in advance.

Yours sincerely

Dear Ms ██████████

Thank you for your letter of 31 July 2018 on behalf of ██████████ to the former Minister for Transport and City Services, Ms Meegan Fitzharris MLA regarding lighting and maintenance at the Tuggeranong dog park, Greenway. I am responding as this matter falls under my portfolio responsibilities as Minister for City Services

I am advised that an officer from Transport Canberra and City Services (TCCS) contacted ██████████ on 2 August 2018 and informed him that repair works on the lights at Tuggeranong dog park had been delayed due to adverse weather conditions making access to the required repair site unsafe.

I am pleased to advise that these works have now been completed and that the lights have been confirmed as being operational.

With regard to the taps at the dog park, unfortunately during the colder months they are affected by sub-zero temperatures and this can cause them to break or become faulty. Taps in public areas are inspected frequently to ensure they are operating and when they are found to be faulty or are reported as faulty by the community, they are attended to promptly. TCCS apologises for any inconvenience that may have been caused during these times.

Thank you for raising this matter. I trust the information provided is of assistance.

Yours sincerely

Mr Chris Steel MLA

ACT Legislative Assembly

Dear Minister *Chris*

I recently inspected the Lake Ginninderra Dog Park facilities with a group of constituents who frequently use the site.

During our conversation my constituents raised concerns over the type and amount of gravel used in the small dog area of the park. I was told that dogs will avoid running on this surface, and on many occasions have actually hurt their paws while on the gravel.

Minister, will you remove the gravel surface and replace it with something softer for the continued enjoyment of constituents and their pets.

Also, what upgrades are currently planned for the Lake Ginninderra Dog Park?

Warm regards

CANBERRA ACT 2601

Dear [REDACTED]

Thank you for your letter of 4 September 2018 requesting the removal of the gravel surface treatment at the Lake Ginninderra Dog Park.

Transport Canberra and City Services (TCCS) advise that maintaining grass cover in Canberra's dog parks is an ongoing challenge given they are heavily used and not irrigated. In order to address issues associated with wear and tear caused by the movement of dogs and their owners inside the dog parks, a variety of surface treatments are used at each site including dryland grass, mulch and gravel for pathways.

I acknowledge that dogs do not enjoy playing on gravel and formed gravel pathways are generally included in most dog parks to link access points with infrastructure, such as seating and bubblers.

In relation to the Lake Ginninderra dog park, the gravel in the large exercise area that you describe is all that remains of several formal gravel paths that were installed in grassed areas during the original construction of the park. This gravel has unfortunately become more prominent as the grass has worn away over time. TCCS will place mulch over the gravel and other worn areas inside the park in the coming months, which should improve the situation for dogs and their owners.

Although there are no current planned upgrades for the Lake Ginninderra Dog Park, City Services in TCCS will continue to provide ongoing maintenance for the benefit of constituents and their canines.

Thank you for raising this matter. I trust this information is of assistance.

Yours sincerely

Dear Minister Steel

Chris

I, as well as other constituents, have made a number of requests via Fix My Street for the latches on the gates at the Belconnen Dog Park in Diddams Close to be repaired. Regrettably this has not occurred.

While the latches on the gates are present, they are rusty, loose and do not always latch properly. I have had numerous reports, and have experienced this plenty myself, of the gates closing but not latching, making it easy for excited dogs to escape or enter the holding area by pushing against them.

Given the focus on responsible pet ownership, I would be particularly grateful if attention could be given to replacing these latches with something more secure.

Sincerely,

Dear [Redacted]

Thank you for your letter of 18 April 2019 regarding the gate latches at Belconnen Dog Park. I apologise for the delay in responding.

The ACT Government appreciates that dog owners represent a substantial section of Canberra's community, and that pets are recognised as having physical and mental health benefits for their owners. Canberra's dog parks play an important role in supporting the health and wellbeing of Canberra's dogs and their owners.

The Belconnen Dog Park is utilised by many responsible dog owners daily, and as such the gates have been subjected to heavy stress and strain. These have been repaired many times over the last few years. Transport Canberra and City Services has engaged a qualified repairer to mend the broken latches and check for any other structural issues that can be addressed. The gate latches were repaired on 13 May 2019.

I regret that in this instance your Fix My Street request was not actioned in a timely manner, however, I do encourage you to continue to use this portal to report urban maintenance issues.

Thank you for raising this matter. I trust this information is of assistance.

Hi there Chris! just wondering who i should contwct

My name's [REDACTED] and I am messaging you today from everyone at Forde Dog Park in Casey [REDACTED]

we were just wondering if there would be any renovations for the park?

the training circuit isn't really popular, not many dogs or people use it, seems to just be in the way

AND alot of dogs have hurt themselves by accidentally running into them, like my great Dane puppy almost broke his hip because he slammed right into the tunnel

So is there a chance this could be removed and just made into a massive park?

also we are wondering if there will be a replacement of mulch or some sort of grass for the flooring? currently it's just dirt. the dogs dig holes and again end up

hurting themselves and a few people have almost broken their ankles aswell

we have been going everyday for almost a year and other people alot longer would just like to see it renovated, safe and friendly as it's a great place to be

kind regards

Hi [REDACTED], thanks for your message and ideas for improvements to the Casey dog park. I will raise these with the City Services team and see what is possible with the funding that we have secured for dog park refurbishment and come back to you. Certainly re-grassing is on the priority list.

Dot Point Request

Subject: Forde Dog park

Reference number: DLO19/299

Dot Points:

- The Government is committed to ensuring it is a leader in prioritising the welfare of dogs and delivering a safer pet-friendly community. The Government's commitment is outlined in its recent Canberra Dog Model.
- City services will be addressing the immediate safety concerns of the holes by bringing in the additional mulch cover – thank you for raising this matter.
- City Services has also advised that they will investigate alternative surface options.
- Responsible pet owners should be monitoring their dog and training them on the use of the equipment and allowing their animals to interact respectfully with the other pets and owners.
- The last upgrade to the Forde dog park was in 2016-17, which consisted of new fencing, a new seat, mulching and removal of two of the circuit equipment.

To the honourable Chris Steele are you planning on putting more grass at the Tuggeranong dog park, more bench, more water taps, doggie exercise/fun equipment too.. not just at Yarralumla dog park as the Tuggers dog park is way more popular and used heaps!!:) Also can we please put up signs telling people to pick up their dogs poo and not tie it on the fence or leave it under a tree but throw it in the green bins and not be lazy!!:) Also to not bring more than 3 big dogs that they cant control lol and then not supervise them and remain texting on their phones. Ie:- people must be im control of their dogs especially when they start fights, but other than that GREAT dog park!:) oh and can we also tell drug users to please please not leave their drug syringes anywhere in the dog park or near lake tuggers. I realise thats a long list!:) thank you, [REDACTED]

[REDACTED], thanks for those ideas for the dog park. I will raise them with City Services and come back to you once I have seen what is possible with the money that we have secured for dog park refurbishment. We are launching an education campaign soon about keeping effective control of dogs at all times (including dog parks) and this will be followed by enforcement with the new enforcement team which started last month with a focus on dogs.

Dot Point Request

Requested by: Minister's Office

Business Unit: City Presentation

Subject: Tuggeranong dog park

Reference number: DLO19/300

Dot Points:

Hi [REDACTED]

Thank you for your inquiry into Tuggeranong Dog Park.

City Presentation is in the process of conducting Public consultation, on how to improve our dog parks. Your comments will be considered in this process.

The improvements being considered in the process are for more seating, water taps and surface types that would be suitable in Dog parks.

- Regarding your enquiry regarding more grass I am advised that maintaining grass cover in Canberra's dog parks is an ongoing challenge, given they are heavily used on a daily basis and are not irrigated.

To adequately re-establish grassed areas, they need to be fenced off from all use for long periods of time, so grass has time to recover. This prevents access and use of the areas by dog owners. Therefore, there are no plans to re-establish grassed areas at dog parks and in time it is expected that grassed areas, subject to heavy wear loads, will either return to soil or be replaced with mulch.

- It would be appreciated if you notice any sharps in public open spaces including Dog Parks that you report this directly to Access Canberra on 13 22 81. As soon as a sharp is reported it is removed by TCCS. The ACT Government has a 24 hour Sharps Hotline (13 22 81) for people to report sharps or clinical waste which has been discarded irresponsibly.

If the sharps or clinical waste are located on unleased land, a City Ranger will pick up the sharps or clinical waste as soon as possible. Regular inspections of open space areas are undertaken by staff and contractors. These inspections include specifically looking for sharps and clinical waste. Public toilet blocks are inspected daily, public places at shopping centres are also inspected daily. Playgrounds and barbecue sites are inspected on a weekly basis, and parks are inspected during routine maintenance work.

Dear Minister,

I have been contacted by constituents in my electorate regarding defects at the recently opened Weston Creek Off-lead Dog Park in Duffy.

Constituents have raised their concerns with me regarding:

- the gate to the car park often being locked during the day;
- no water connection to the water fountains;
- gate latches already broken, meaning the gate does not lock; and
- multiple areas of fencing with gaps where dogs have escaped.

Minister, given that this park opened only a matter of days ago, please advise what action you will take to rectify each of the above situations.

Yours sincerely,

Dear [REDACTED]

Thank you for your letter of 3 August 2018 on behalf of your constituents regarding concerns they have about the new dog park at Weston Creek.

The site is being regularly inspected by Transport Canberra City Services (TCCS) staff to identify and rectify such issues as soon as possible. Please thank your constituent for taking the time to notify us of these issues.

Unfortunately there was an administration delay which resulted in a two day gap before the contractor added the new gates at the dog park car park onto their daily locking and unlocking schedule. This has since been rectified and the access gates to the dog park car park has been opened and closed daily.

The new water fountains require Icon Water to activate the water connection. This is on their works program and they have advised TCCS that the water connection is expected to be completed in the coming weeks. A temporary sign has been placed on the water fountains to keep dog park visitors informed about this delay.

Over the past two weeks there have been a few reports received by TCCS of gaps under the perimeter and internal fences. These gaps have been caused by soil subsidence and have been filled with suitable material to prevent dogs from escaping.

Within the first few days of operations, the latches to the gate were unfortunately vandalised and have recently been repaired. Now the new Weston Creek dog park is fully operational, and the increase in visitation to the area will help to deter these types of anti-social activities in the future. Information from the community is of value to TCCS to help keep our city safe and connected.

Dear [REDACTED]

Thank you for your enquiry regarding Duffy dog park. I apologise for the delay in responding.

Under the new Canberra Dog Model, dogs are allowed off-leash in signposted areas such as designated dog parks or sportsgrounds outside of formal sporting events.

I acknowledge that providing shelter from the elements is an important component of public infrastructure. Dog parks are provided in natural open spaces where the elements will always be a factor. Many new trees were planted as part of the establishment of Duffy dog park. These trees are still young but once they grow and mature, they will provide shade to dogs and their owners.

As the Duffy Dog Park becomes more established, an increasing number of residents will visit with their pets for supervised socialisation and play, which in turn creates difficulties in maintaining a healthy grassed surface, particularly in the absence of irrigation.

As part of the \$200,000 allocated to refurbishing dog parks as announced in the 2019-20 budget, the Duffy Dog Park is being considered for re-grassing and the possible installation of an irrigation system to assist in the maintenance of the grass. Should this go ahead, it will mean that sections of the dog park will need to be fenced-off from all use for a period of time so grass has an opportunity to establish. Transport Canberra and City Services (TCCS) officers will continue to provide ongoing maintenance for the benefit of owners and their pets.

TCCS receives a large number of requests for lighting improvements each year, which are then prioritised. TCCS has a process to assess priorities for infill lighting. Currently TCCS conducts an assessment on new streetlight requests through a framework that considers how a request aligns with government strategies (e.g. ACT Government Sustainable Transport Policy and Territory Plan), usage of the area, environmental impacts (e.g. impact on trees, light pollution and net energy consumption impact) and community impacts (e.g. security, public safety and road safety) in order to determine the best way to prioritise the large volume of requests.

I have been advised that an officer from TCCS has completed an assessment of the area and the request for lights at the dog park have been added to the infill request list and will be considered.

Hi Chris

As a member that attends the Duffy Dog park almost everyday [REDACTED]. I on behalf of the community that attends the park would like to inform you that we are not happy with how the park is being maintained.

Now because its closed the government has no excuse to fix the park to the level in which it should have been maintained at in the first place. The community has voted in a poll that was set up to give you an idea of where we are coming from.

Please see in the attached photos of what the community would like.

The Molonglo Vally has 1 oval and this park in duffy out of the Molonglo Valley that has easy access in which dogs are legally allowed to be off lead.

The park is not safe at night and we would appreciate some lighting to make this area safe for those that work and cant acess the park after 6 due to it being unsafe because the ground is not maintained and how dark it is in the area.

I would like a response as the state of the park is disgraceful.

Dear ██████████

Thank you for your follow up email of 1 May 2020 regarding Duffy dog park.

Improvements are currently underway at Duffy Dog Park and will be completed by the end of this financial year. These include a new shade sail and two new seats with concrete pads. As you are no doubt aware, all dog parks have reopened for use as a result of easing of COVID-19 restrictions.

Further to my previous response to you dated 28 August 2019, Duffy dog park was unfortunately not able to be upgraded with irrigation in 2019-20 and there are no plans for lighting in the park at this time. However, your request has been noted and will be considered as future upgrade funding becomes available.

You may be interested to know that there are many other areas that can be used to exercise dogs off lead including areas in and close to the Molonglo Valley. A map showing all dog exercise areas is available at <http://app.actmapi.act.gov.au/actmapi/index.html?viewer=doma>

Dear Mr Corrigan

You say in the email below you have been advised that the “holes that remained from the fence removal were filled on 22 October”.

You have been mis-advised.

Some of the holes were filled on, I believe, 23 October, rather than 22 October. Others were not filled, and have still not been filled. A new hole was created on, I believe, 23 October by removal of another post. It has not been filled. Eight posts remain. When they are removed, eight new holes will be created.

On the morning of Friday 2 October I alerted Minister Steele’s of the dangerous holes. I was told they would be seen to that day. I have been assured that Minister Steele himself was advised about it that day, and I have little doubt that City Services was also advised. So even if the holes had been filled on 22 October (which they were not) that would mean that for 20 days City Services left the park in a dangerous condition – dangerous to both dogs and people. As some holes are yet to be filled, the park remains in a dangerous condition and has done so for 25 days.

This is appalling management by government.

And, while a staffer of Minister Steele’s used “caretaker conventions” to excuse the delay, both you and I know there is nothing in such conventions which have any effect on government’s duty to undertake minor works to make public open space safe for the public.

I seek urgent assurance that the remaining holes will be filled forthwith.

I repeat my earlier offer to meet people at the park to show them where the holes are.

Yours sincerely

Subject: Response to Ministerial Correspondence - Safety concerns at Belconnen Dog Park

OFFICIAL

REF: 2020/5877

[REDACTED]

Dear [REDACTED]

I refer to your email of 12 October 2020 to the Minister for City Services, Mr Chris Steel MLA about safety concerns at the Belconnen Dog Park. The ACT Government is currently operating under caretaker conventions, and as such, I am responding to you directly. I apologise for the delay in getting this matter attended to and I understand your frustration.

You may be aware that the fence you refer to was erected to protect the new grassing works, which were part of the upgrade works at the Belconnen dog park. Those upgrade works also included the installation of irrigation which is intended to provide improved grass cover in the dog park area.

I have been advised that the holes that remained from the fence removal were filled in on 22 October 2020 and will be reinspected again next month to ensure that the soil has not subsided.

I trust this information is of assistance.

Yours sincerely
Jim Corrigan
Deputy Director-General

Dear Mr Steele

At 9.30 am on Friday 2 October I phoned your office to say that the Belconnen Dog park was in a dangerous condition. I said that a number of galvanised fence posts used for temporary fencing had been removed from the ground, leaving holes about 50 mm in diameter and 500 mm deep in the park, some visible in bare clay and others hidden in weeds. The person who answered the phone in your office seemed to share my concern that this was dangerous to running dogs and people, and promised that someone would look at it urgently and phone me back.

No phone call came. And no repairs were made.

In the middle of the following week The Canberra Times published a letter to the editor on the this. This did not bring any action either.

As of this morning the holes remain. I have found wooden posts to mark four of the holes. I have not found a post to mark a fifth hole. I know that there is a sixth hole because there used to be a galvanised post there. But I cannot find the hole because it is so covered by weeds.

If a running dog put a foot in any of these holes I would think a broken leg would be the minimum injury. A person could easily turn an ankle standing in one of the holes.

Can you, please, arrange urgent action to get the holes filled? And while the workmen are there, they might also remove the other galvanised posts and fill their holes immediately.

You might also inquire as to why, a week and a half after your office was alerted to the danger, no action has been taken.

What do we members of the public have to do to have dangerous issues fixed? And don't tell me to phone Access Canberra, because that just goes on endless hold, usually. On one occasion I spent more than half an hour on hold at Access Canberra, then only to be cut off.

Yours sincerely

Subject: Dog Park

Hi,

I would like to bring to your attention that there is work being carried out at the Yarralumla dog park trees being cut and removed for safety reasons, no nothing new there except I would like to know why!! as it is the top of the range in dog parks in Canberra next would be Tuggeranong Belconnon and then Casey where there is serious need to cut and remove trees a large branch falling recently the rubbish still not removed. Not to mention the rocks that stick up all around the park. When I would like to know is something going to be done about the Casey dog Park.

Yours in Wonder

Dear [REDACTED]

Thank you for your email of 10 January 2021 about Casey Dog Park.

In relation to your concerns about the rocks sticking out at Casey Dog Park, I have been advised that these existed as natural features before the park was built and are embedded in the ground and not easily removed. However, Transport Canberra and City Services (TCCS) advises that there are also some large piles of rocks that have been stacked neatly and are out of the way. Weather permitting, Casey Dog Park is scheduled to be mown by the week ending 26 February 2021 and fallen branches will be cleared away at the same time.

As you rightly identified, tree removals have also been undertaken at the Yarralumla Dog Park to make sure the area is safe for the community, with the pine trees having reached the end of their life. Work is now underway to reinstate trees and grass at the dog park.

Thank you for raising this matter. I trust this information is of assistance.

Yours sincerely
