Thank you for that advice. You now refer to 'design approval' in February 2018. May I have a copy?

It will be a great day when the Stage 2 works within the '150404 b28 s19 Campbell Process Variation request' are completed, and the Park is fully back in TCCS care!

Given your earlier advice:

*No records are held about conditions to be satisfied prior to the operational acceptance of stage 2. This is because the project was split into two stages at the operational acceptance stage of the project, which was done to facilitate the acceptance process. No conditions are imposed at the operational acceptance stage.*

*There are no records detailing specific standard of works and maintenance that will satisfy TCCS at the time Hindmarsh seek to handover Stage 2*

Please confirm that your contact with Rachael Taylor and/or Lingam Jatheendran in City Services has provided the information you have passed to me. If yes, I am of the view they have nothing else to add. I have had past contact Lingam Jatheendran and had asked him the questions, but without a response to several emails, I submitted the second FOI request. I have not yet had the pleasure of contact with Rachael Taylor.

Kind regards
