Hi Jonathan,

I believe Grace has kindly scheduled a briefing with us at Mr Cain's office for 1 PM tomorrow.

Would Ms Castley be able to join us for that, or are you looking to arrange a separate briefing with Mr Steel's office?

Apologies, I'm a bit unclear on the briefing, as I was informed this is a bill under Mr Cain's portfolio, yet I haven't been included in the discussions—though I see Ms Castley wishes to be joining us for the briefing.

Looking forward to some clarification.

Many thanks,
Swan

Hi Jonathon,

Same to you, and thanks for getting back to me to confirm a meeting.

Unfortunately, we can't make Friday work. Would there be a 20-30 minute window between 11-1:30 pm or after 4 pm tomorrow which would suit?

Many thanks
Grace

Hi Grace,

Thanks for coming down earlier, was good to meet you.

After chatting with the Cain office, we'd like to arrange the meeting for Friday afternoon. Would it be possible to get the times between 12-3pm which would work at your end?

Cheers,

Jonathon
