Request for information

(Please provide as much detail as possible, for example subject matter and relevant dates, and also provide details of documents that you are not interested in.)

I wish to have a copy of the residential impact assessment associated with the expansion of Parkes Way lanes on the city side of the ANU tunnel to the Nishi building, and the same for the speed increases around the tunnel - as such documents relate to noise and residential nuisance. I also seek any subsequent noise or residential nuisance related assessments associated with that same area of road undertaken since the lanes expanded and the speed was raised. Thank you.

I do not want to access the following documents in relation to my request:: I only want material directly relevant to Parkes Way from the Nishi building to the ANU tunnel. I am not seeking reports for the whole road.

Thank you.
