

Dear 

Freedom of Information – Notice of Decision

I refer to your application under section 30 of the [Freedom of Information Act 2016](#) (the FOI Act), received by the City and Environment Directorate (CED) on 17 November 2025. It is my understanding you are seeking access to the following information on behalf of your client:

- *“Any records (building, maintenance, injury, etc) for the path from Wedgwood Close down to Norris Street in Chisholm. Ideally, we would like all relevant records, if this is not possible any records from the last 5 years would be great”.*

Timeframes

In accordance with section 40 of the FOI Act, CED is required to provide a decision on your access application within 30 working days. Therefore, a decision is due on or by **6 January 2026**.

Authority

I am an Information Officer appointed by the Director-General of the City and Environment Directorate under section 18 of the FOI Act to deal with access applications made under Part 5 of the FOI Act.

Decision on access

A search for CED records has been completed and two (2) records within the scope of your application have been identified. The records are listed in the schedule at **Attachment A**.

I have decided to grant **full** access to two (2) records.

The reasons for my decision are detailed in the *statement of reasons* section below. The records being released to you are provided at **Attachment B**.

Statement of reasons

The FOI Act has a pro-disclosure bias, which requires information to be disclosed unless doing so would be contrary to the public interest. As an Information Officer, I am responsible for determining whether disclosure of the information within the scope of your application would be contrary to the public interest.

My assessment begins with Schedule 1 of the FOI Act, which outlines categories of information that are taken to be contrary to the public interest to disclose. If the information does not fall within any of these categories, I must then apply the public interest test under section 17 of the FOI Act. This test involves weighing the factors favouring disclosure against those favouring nondisclosure, as set out in Schedule 2.

In reaching my access decisions, I have taken the following into account:

- the FOI Act
- the information that falls within the scope of your application
- the *Human Rights Act 2004*
- the ACT Ombudsman FOI Guidelines

I confirm that I have not considered any of the factors listed in section 17(2) of the FOI Act, which outlines a list of considerations that must not be taken into account when applying the public interest test.

Schedule 1 – Information taken to be contrary to the public interest

- *No relevant sections identified.*

Schedule 2 – Public interest test

Factors favouring disclosure (Schedule 2.1)

- *Section 2.1(a)(i) - promote open discussion of public affairs and enhance the government's accountability.*
- *Section 2.1(a)(ii) - contribute to positive and informed debate on important issues or matters of public interest.*

In reviewing the information within the scope of your application, I have decided that disclosure promotes open discussion of public affairs and enhances government's accountability generally. I have placed significant weight on this factor.

Factors favouring nondisclosure (Schedule 2.2)

- *No relevant factors have been identified.*

Balancing the factors

Having applied the public interest test outlined in section 17 of the FOI Act, I have concluded that the information contained in the records is the public interest to disclose. Accordingly, I have decided to provide you with full access.

Charges

Processing charges are not applicable for this application because the number of pages released to you is below the charging threshold of 50 pages.
