Hi Sophie,

That's correct, i already have copies of the 80 responses to the amendment. The FOI is seeking to understand the events and activities preceding the amendment's publication in January 2026 from a Territory perspective.

Kind Regards,

Good morning [REDACTED]

Thank you for your time on the phone and for agreeing to a 10 working day extension.

I also appreciate your response on 31 March 2026 in relation to my request to clarify the scope of your application. Based on your email and our telephone conversation, I seek to confirm that you are requesting access to any correspondence, submissions, or assessments relating to the rezoning, redevelopment, and transfer of planning authority to the National Capital Authority (NCA) for the Hume Circle residential area designated as Griffith Zone 25 between the period 1 April 2025 to 24 December 2025. Specifically, you are seeking access to information relating to the consultation between the ACT Government and NCA and the indicative timeline associated with the redevelopment.

You are not seeking access to the submission provided by the ACT Government in response to the Draft Amendment 102 (Hume Circle Precinct), which is available on the NCA website.

If the above does not accurately reflect the scope of your application, please advise as soon as possible.

Kind regards

Sophie | Information Access Officer

Hi Sophie,

Additional to the information available within NCA submissions I am looking for any information relevant to associated infrastructure planning, including forward provisioning and indicative schedules, so as to form a reasonable view of the viability of the proposal.

Kind Regards,
