

ATTACHMENT A – ACCESS APPLICATION SCHEDULE - FREEDOM OF INFORMATION

Please be aware that under the *Freedom of Information Act 2016*, some of the information provided to you will be released to the public through the ACT Government's Open Access Scheme. The Open Access release status column of the table below indicates which records are intended for release online through open access via the City and Environment Directorate disclosure log:

https://www.cityservices.act.gov.au/about-us/freedom_of_information/disclosure-log

Personal information or business affairs information will not be made available under this policy. If you think the content of your request would contain such information, please inform the contact officer immediately.

Information about what is published on open access is available online at: <https://www.act.gov.au/open-access>

File No.	Application Scope:
26-018	"I am formally requesting access to the following documents under the Freedom of Information Act 2016 relating to the partial suspension of Light Rail R1 services between Sandford Street and Alinga Street during January 2026. 1. Any options assessment, briefing note, internal memo, email correspondence, or decision record that considers possible R1 termination / turnback arrangements, including use of the Dickson Interchange crossover. 2. Any operational plan, service plan, or operational instructions developed for this closure period. 3. Any safety assessment, risk assessment, hazard analysis, or operational risk register relating to use of the Dickson crossover for reversing services. 4. Any communications strategy, internal briefing, or stakeholder communications plan relating to passenger information for the closure period".
Reason for nondisclosure:	
Schedule 2, 2.2(a)(ii) - prejudice the protection of an individual's right to privacy or any other right under the Human Rights Act 2004.	
Schedule 2.2(a)(xv) - prejudice the management function of an agency or the conduct of industrial relations by an agency.
