Hume Industrial Precinct

Key upgrade features:

- 1 New southbound on ramp from Isabella Drive/Tralee Street onto the Monaro Highway.
- 2 New Monaro Highway flyover, over the Isabella Drive extension.
- 3 Isabella Drive extension from the existing Monaro Highway roundabout to the new Tralee Street south roundabout.
- 4 Southbound off ramp exit from the Monaro Highway to Isabella Drive (extension) and Tralee Street .
- 5 On-off lane parallel to the northbound Monaro Highway between Isabella Drive and Mugga Lane.
- 6 New Mugga Lane to Hume flyover lanes and northbound on ramp to Monaro Highway.
- 7 New Hume flyover over the Monaro Highway connecting Mugga Lane and Tralee Street (the existing Monaro Highway right turn into and out of Mugga Lane will be closed off).
- 8 Tralee Street upgrades at the approach to the new Hume flyover.
- 9 Modify the existing Monaro Highway - Sheppard Street intersection to allow only left-in and left-out movement.
