Bin placement tips:

- Put your bins out the night before or by 7 am on collection days.
- Put your bins on the kerbside with the front of the bin facing the road and the wheels at the back.
- Leave a gap of at least 30 cm between bins so the truck's arms can pick up each bin.
- Keep bins a minimum of 1 metre away from any obstruction such as trees, parked cars or poles.
- Ensure bin lids can completely close to avoid littering.
- Bring your bins in from the kerb as soon as possible after they have been emptied.
- Keep clear when bins are being emptied by the truck.
