Transport Canberra and  
City Services

Dear 

### **Freedom of Information Request - Reference 23-103**

I refer to your application made under the *Freedom of Information Act 2016* (the Act) received by Transport Canberra and City Services (TCCS) on 31 August 2023 seeking the following government information:

*“All documents, including and pertaining to complaints and reports made of the pavement/sidewalk on Ellerston Avenue, Isabella Plains ACT 2905”.*

On 5 September 2023, your office confirmed that the records being sought related to the last five years.

#### **Authority**

I am an Information Officer appointed by the Director-General under section 18 of the Act to deal with access applications made under Part 5 of the FOI Act.

#### **Timeframes**

A decision on your application is due on 13 October 2023.

#### **Decision on access**

In accordance with the FOI Act, a search of TCCS records has been completed. This search identified 7 records as relevant to your application. The records include data that has been downloaded from various systems and exported into a word document or spreadsheet for easy viewing.

Upon reviewing the information within the 25 records, and applying the public interest test under section 17 of the FOI Act, I have decided to provide you with:

- Full access to 6 records; and
- Partial access to 1 record.

The reasons for my decision are provided below under the heading ‘statement of reasons’.

The documents are listed in the schedule at Attachment A, and a copy of the records with deletions applied to the information I have found to be contrary to the public interest is at Attachment B.

### **Statement of Reasons**

In making my decision on disclosing government information, I must identify all relevant factors in schedule 2 of the FOI Act and determine, on balance, where the public interest lies. In reaching my access decision, I have taken the following into account:

#### ***Factors favouring disclosure in the public interest (Schedule 2, Section 2.1)***

- Schedule 2.1(a)(i) - promote open discussion of public affairs and enhance the government's accountability;
- Schedule 2.1(a)(viii) - reveal the reason for a government decision and any background or contextual information that informed the decision.

#### ***Factors favouring non-disclosure (Schedule 2, Section 2.2)***

- Schedule 2.2(a)(ii) - prejudice the protection of an individual's right to privacy or any other right under the *Human Rights Act 2016*.

In reviewing the relevant records, personal information relating to third parties has been identified. I have considered that the disclosure of this information is not readily available to the public and is likely to prejudice the protection of an individual's right to privacy under the *Human Rights Act 2004* and carries significant weight. In this instance, I have found the disclosure of personal information to be, on balance, contrary to the public interest.

I have found that the factors favouring disclosure can be satisfied with the deletion of information which is contrary to the public interest. A copy of the relevant information is enclosed at Attachment B.

### **Charges**

No fee is applicable as the number of pages being released fall within the fee-free threshold.

### **Online publishing – disclosure log**

Under section 28 of the Act, TCCS maintains an online record of access applications called a disclosure log. Your access application and this notice of decision will be published on the disclosure log within 3 – 10 business days. Your personal information and your firm will be removed from these documents prior to publication.

### **Ombudsman review**

My decision on your access request is a reviewable decision as identified in Schedule 3 of the Act. You have the right to seek an Ombudsman review of this outcome under section 73 of the Act within 20 working days from the day that my decision is published in TCCS' disclosure log or a longer period allowed by the Ombudsman.

If you wish to request a review of my decision, you may write to the Ombudsman at:

The ACT Ombudsman  
GPO Box 442  
CANBERRA ACT 2601  
Via email: [actfoi@ombudsman.gov.au](mailto:actfoi@ombudsman.gov.au)

**ACT Civil and Administrative Tribunal (ACAT) review**

Under section 84 of the Act, if a decision is made under section 82 on an Ombudsman review, you may apply to the ACAT for review of the Ombudsman decision.

Further information may be obtained from ACAT at:

ACT Civil and Administrative Tribunal  
Level 4, 1 Moore Street

It allows cars to drive to the left or right of the hump, therefore they dont have to slow down, even buses are easily driving to the side and avoiding the hump. It is not serving the purpose it was installed for and could cause an accident I Please replace with the normal speed hump. It is a beautiful nee pedestrian crossing but could be dangerous because of the faulty design</p>
