Request for information

(Please provide as much detail as possible, for example subject matter and relevant dates, and also provide details of documents that you are not interested in.)

Under the Freedom of Information Act 2016 I want to access the following document/s (*required field):

I want the latest approved permit application and approval documents issues under the Public unleased land Act to Parkrun coordinators for Park run events in South Canberra ACT specifically the one held at Gordon Pond Park.

I do not want to access the following documents in relation to my request::

This is highly in the public interest and I am happy that the individual is redacted but if the application related to the use of land for park run the other details and what has been approved should be released

Thank you.
Freedom of Information Coordinator
