Hi,

I am incredibly curious about some of the finer details of the MyWay+ contract that the ACT Government has with NEC.

The censored version of the contract available online does not seem to include the info I'm interested in. The people I initially contacted redirected me to here to request a copy of the uncensored MyWay+ contract.

I have never done this before, so if I am in the wrong place, please let me know, and if giving a copy of the uncensored MyWay+ contract is not possible or requires some extra time or processes, please let me know.

Thanks,
